* In terms of the SAPS National Instruction, 2 of 2012, on Victim Empowerment, a VFR is a dedicated room, at a police station, to provide a space for victims of intimate violence (gender-based violence, child abuse, sexual offences and domestic violence), to be interviewed and make statements, in private, in a non-threatening environment. In the absence of a VFR, an alternative room or arrangement, is a vacant office or any other suitable room at a police station or another place, such as a One-Stop Centre, Thuthuzela Care Centre or room in the vicinity of the police station, where the victim may be interviewed, in private.
