- (5) **[The] Subject to subsection (4), the** Management Committee may determine its own procedures to be followed at its meetings.
- (6) The Management Commission must report regularly to the Council.**

### **Part 3**

#### ***Strategic integrated projects***

#### **Requirements for strategic integrated projects and designation of SIP**

##### **Chairpersons**

7. (1) A project or group of projects qualifies as a strategic integrated project for the purposes of this Act if—

- (a) it comprises of one or more installation, structure, facility, system, service or process relating to any matter specified in Schedule 1 or such additions as the Council may decide and has published by notice in the Gazette;
- (b) it complies with any of the following criteria:
- (i) It would be of significant economic or social importance to the Republic;
  - (ii) it would contribute substantially to any national strategy or policy relating to infrastructure development; or
  - (iii) it is above a certain monetary value determined by the Commission;
- and
- (c) the Commission has included the project in the national infrastructure plan and has, in terms of section 8, designated the project as a strategic integrated [infrastructure] project.

(2) The Commission may for the purposes of subsection (1)(b)(iii) determine different values for different types of strategic integrated projects or for different categories of strategic integrated projects.

(3) A strategic integrated project may include infrastructure that is not public infrastructure, provided it is with the consent of the owner of that project.

~~[(3)]~~ (4) The ~~[Commission]~~ Council must designate as Chairperson of a strategic integrated project the Minister under whose portfolio a strategic integrated project falls or, where different components of a strategic [infrastructure] integrated project fall under different portfolios, such Minister as the ~~[Commission]~~ Council may determine as principally responsible for the strategic integrated project.

~~[(4)]~~ (5) The SIP Chairperson shall as soon as possible after the ~~[Commission]~~ Council has designated a strategic integrated project—

- (a) convene and chair a forum of executive authorities that are involved in the strategic integrated project from the three spheres of government;
- (b) coordinate implementation of the strategic integrated project that she or he chairs;
- (c) ensure that the steering committee of the strategic integrated project provides information as required by the Secretariat; and
- (d) promote the alignment of relevant government activities in support of implementation, operation and maintenance of the strategic integrated project.

**Designation and implementation of strategic integrated projects [and conflicts in infrastructure or planning thereof]**

8. (1) The Commission ~~[must]~~ may, by notice in the *Gazette*,
- (a) designate strategic integrated projects for the purposes of this Act, and
  - (b) amend the designation of a strategic integrated project.

(2) If the Commission designates a strategic integrated project which must be implemented, it must determine whether the State ~~[or the organ of state]~~ has the capacity to implement the project or whether the whole or part of the project must be put out to tender or procured through another form of procurement allowed by the Public Finance Management Act, 1999 (Act No. 1 of 1999).

(3) (a) Such Minister as the Commission may determine must, whenever the Commission decides that a strategic integrated project or any part thereof must be implemented and put out to tender by notice in the *Gazette* and in

at least one national newspaper, request the relevant accounting officers or accounting authorities to call for such tenders.

(b) The request to the relevant accounting officers or accounting authorities must be made in consultation with the Members of Cabinet responsible for the portfolios under which the infrastructure components fall.

(4) (a) **[Where a strategic integrated project has been designated for implementation, every]** Every organ of state must ensure that its future planning or implementation of infrastructure or its future spatial planning and land use is not in conflict with any strategic integrated project implemented in terms of this Act.

(b) Paragraph (a) does not derogate from any power of a province or municipality to implement any infrastructure project which falls outside the ambit of a strategic integrated project.

(c) Any **[conflict]** dispute which arises in the application of paragraph (a) must be resolved in terms of the Intergovernmental Relations Framework Act, 2005 (Act No. 13 of 2005), subject to any national legislation regulating spatial planning and land use management.

#### ***Part 4***

#### ***Implementing structures of the Commission***

##### **Secretariat of Commission**

9. (1) The Secretariat of the Commission is hereby established.

(2) The Secretariat is appointed by the President and consists of—

(a) the Minister as chairperson of the Secretariat; and

- (b) such Ministers and Deputy Ministers as the President may determine.

### Functions of Secretariat

10. The Secretariat must—
- (a) enable and facilitate operations relating to the implementation and long term **[utilisation]** operation of any strategic integrated project;
  - (b) coordinate the implementation of any strategic integrated project;
  - (c) appoint members to a steering committee;
  - (d) appoint a SIP coordinator to chair the steering committee for a strategic integrated project and to coordinate and facilitate the implementation of the strategic integrated project;
  - (e) ensure that members of a steering committee have the necessary skills and capabilities to properly perform their functions;
  - (f) issue guidelines relating to the manner in which a steering committee must perform its functions;
  - (g) drive and direct the work of a steering committee;
  - (h) interact with and ensure coordinated interaction within steering committees;
  - (i) ensure the successful finalisation of the work of a steering committee;
  - (j) manage the implementation of the day to day work of the Commission and regularly report to the Management Committee and to the **[Commission]** Council; and
  - (k) perform such other functions as the Management Committee and the **[Commission]** Council may assign to it.

## **Main purposes of steering committees**

**11.** The main purposes of a steering committee are, for all phases in the implementation and **[utilisation]** operation of a strategic integrated project—

- (a) to develop mechanisms to identify and determine the different projects which constitute a strategic integrated project, and submit them for approval by the Secretariat;
- (b) to identify ways and means of giving effect, in the most effective, efficient and expeditious manner, to the Commission's decision to implement a strategic integrated project and in so doing, to ensure the prompt compliance with all applicable laws;
- (c) within a period specified by the Minister, to develop and adopt a project plan for approval by the Secretariat for the implementation of the strategic integrated project in the most effective and expeditious manner;
- (d) to facilitate and monitor the implementation of the strategic integrated project;
- (e) to coordinate the work of all members of the steering committee;
- (f) to meet regularly with the SIP Chairperson; and
- (g) to serve as a one-stop-shop where any matter relating to the implementation of a strategic integrated project can be resolved.

## **Appointment and composition of multidisciplinary steering committees**

**12.** (1) A steering committee consists of the SIP coordinator as described in section 10(d) and of persons representing departments and other

organs of state affected by the strategic integrated project, and may consist of, among others—

- (a) officials representing departments in the three spheres of government responsible for environment, water, public works, finance, economic development, spatial planning, land use management or any other relevant portfolio or representing any other person who will be required to grant an approval, authorisation, exemption, licence, permission or exemption necessary for the implementation of the strategic integrated project;
- (b) a member of the Construction Industry Development Board established by section 2 of the Construction Industry Development Board Act, 2000 (Act No. 38 of 2000); and
- (c) any other person appointed by the Secretariat based on expert knowledge or skills.

(2) The SIP coordinator is the chairperson of the steering committee.

(3) In the event that the SIP coordinator is an entity, that entity shall nominate for approval by the Secretariat a suitably qualified individual to act as chair of the steering committee.

(4) The Director-General or **[head]** Accounting Authority of a public entity responsible for an aspect of infrastructure remains the Accounting Officer or Accounting Authority in terms of the Public Finance Management Act, 1999 (Act No. 1 of 1999), the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000), or the Local Government: Municipal Finance Management Act, 2003 (Act No. 56 of 2003).

(5) A member of a steering committee must have relevant knowledge, skills and experience in his or her field of work so as to enable the steering committee to perform its functions effectively and expeditiously.

(6) A member of a steering committee—

- (a) has, subject to section 20(4), the authority to take decisions on behalf of the organ of state he or she represents, excluding any decision to grant an approval, authorisation, license, permission or exemption; and
- (b) has direct access to the head of the organ of state he or she represents, the Management Committee and the Secretariat and any of its members.

(7) (a) A member of the steering committee must be available at all times to perform his or her functions as a member of the steering committee.

(b) Membership of a steering committee may not be delegated without the approval of the **[Commission] Council**.

(8) The Secretariat may, on good cause shown and following a recommendation by a steering committee—

- (a) appoint additional members to the steering committee; and
- (b) secure the services of or assistance or advice from any person who is not a member of the committee.

(9) The **[Commission] Council** may at any stage of the implementation of a strategic integrated project reconstitute the steering committee in order for it to reflect the necessary skills and expertise required for the implementation of the particular stage.

(10) The Secretariat must dissolve a steering committee upon completion of its functions.

**[(11) Any SIP coordinator, steering or technical committee which had been appointed in respect of a strategic integrated project prior to the commencement of this Act and which existed immediately prior to the date of commencement of this Act continues to exist and must be regarded as having been appointed in terms of this section.]**

**Disqualification from membership of steering committees, disclosure and offences relating thereto**

13. (1) For the purposes of this section—

**"family member" means[, in relation to a member of a steering committee]—**

- (a) a person who is related to the member of the steering committee biologically or by statutory law including affinity by marriage, adoption or foster care, or by customary or religious law or custom, covering a husband, wife, parent, sibling, child, nephew, niece, uncle, aunt, first cousin, grandparent and grandchild; or
- (b) a **[permanent]** life partner;

**"public office"** means any appointment or position in the service of the State, a public entity or a national or provincial government component contemplated in the Public Finance Management Act, 1999 (Act No. 1 of 1999), and includes any such appointment or position in any legislative or executive organ of the State in any sphere of government or in any court contemplated in section 166 of the Constitution of the Republic of South Africa, 1996.

(2) This section applies to a member of a steering committee who occupies a public office.

(3) A person who occupies a public office may not be appointed as a member of a steering committee or remain a member of such committee—

- (a) if he or she or his or her family member would benefit financially, in any manner whatsoever whether directly or indirectly, from the strategic integrated project for which the steering committee was appointed; or
- (b) if he or she or his or her family member has any direct or indirect interest in any business or organisation which is not owned by the State and which would in any manner whatsoever benefit financially from the strategic integrated project.

(4) If, after the appointment of a member of a steering committee, it appears that the member or a family member would benefit from or has an interest in any business or organisation which is not owned by the State and which would benefit from a strategic integrated project, as contemplated in subsection (3), the member must without delay—

- (a) in writing disclose that fact to the steering committee and the Minister; and
- (b) resign from the steering committee.

(5) A member of the steering committee may not be present or take part in the discussion of, or the taking of a decision on, any matter before the steering committee relating to the strategic integrated project for which the steering committee was appointed in which that member or his or her family member, business partner or associate has any direct or indirect financial interest.

(6) A member of a steering committee or his or her family member, business partner or associate, or an organisation or enterprise in which a member of

the steering committee or his or her family member, business partner or associate has a direct or indirect interest, may not—

- (a) offer goods or services or conduct any business in relation to the strategic integrated project for which the steering committee was appointed; or
- (b) make improper use, in any manner whatsoever, of the position of member of a steering committee or of any information acquired by virtue of his or her position as a member of a steering committee.

(7) (a) Any member of a steering committee who fails to comply with subsection (4)(a) or (b) or who contravenes subsection (5) is guilty of an offence and liable on conviction to a fine or to imprisonment not exceeding five years or to both a fine and such imprisonment.

(b) Any person who contravenes subsection (6) is guilty of an offence and liable on conviction to a fine or to imprisonment not exceeding five years or to both a fine and such imprisonment.

(8) (a) Any former member of a steering committee who failed to comply with subsection (4)(a) or (b) or who contravened subsection (5) or (6) while he or she was a member of a steering committee commits an offence and is liable on conviction to a fine or to imprisonment not exceeding five years or to both a fine and such imprisonment.

(b) Any person, other than the member, referred to in subsection (6), who contravened subsection (6) during the tenure of the former member, commits an offence and is liable on conviction to a fine or to imprisonment not exceeding five years or to both a fine and such imprisonment.

### **Functions of steering committees**

14. (1) **[The] A** steering committee must, for projects that fall within the state sector but that may be built or operated by either the public or private sector—
- (a) identify the projects required for the implementation of a strategic integrated project;
  - (b) identify opportunities for local industrialisation **[localisation]**, which include local job creation and local procurement of goods and services, as well as other opportunities, to ensure that the strategic integrated project contributes to the objects of the Act;
  - (c) develop and adopt one or more project plans, including feasibility, financial, procurement, operational and maintenance plans, setting out actions, targets and periods of time for the strategic integrated project and submit the plans to the Commission for approval;
  - (d) identify and ensure compliance with the laws applicable to the strategic integrated project;
  - (e) determine the approvals, authorisations, licences, permissions or exemptions required to implement the strategic integrated project;
  - (f) ensure that all appropriate persons are appointed as members of the steering committee;
  - (g) take all reasonable steps that will assist any relevant authority required to decide an approval, authorisation, license, permission or exemption to take such decision;
  - (h) facilitate the implementation of the strategic integrated project;

- (i) report on a monthly basis progress on all phases of the planning, development and implementation of a strategic integrated project to the Secretariat and make such other reports as the Secretariat may request; and
- (j) bring to the attention of the Secretariat challenges or matters that it is unable to resolve for resolution or direction, including proposed remedial actions for consideration by the Secretariat.

(2) Each member of the steering committee must evaluate the strategic integrated project from the perspective of his or her area of expertise and—

- (a) identify what is required for the expeditious and effective implementation;
- (b) identify challenges presented by the strategic integrated project that will impede or delay the implementation of the project, and identify associated remedial actions required;
- (c) identify amendments required to the strategic integrated project to ensure proper implementation; and
- (d) identify the amendments required to be effected to the strategic integrated project to ensure compliance with applicable laws.

(3) The Secretariat may issue guidelines relating to the manner in which effect must be given to subsections (1) and (2).

### **Approvals, authorisations, licences, permissions and exemptions**

15. (1) (a) When the steering committee has [**determined**] identified the approvals, authorisations, licences, permissions and exemptions required to enable the implementation of the strategic integrated project, it shall inform, without

any delay, the applicant to submit all applications simultaneously for consideration by the persons authorised by the relevant laws to take the applicable decisions.

(b) Any application which cannot be submitted simultaneously because prior authorisation is required, must be submitted at the earliest opportunity after such authorisation is obtained.

(2) A member of the steering committee referred to in section 12(1)(a), must do everything possible within his or her power to ensure that an application—

- (a) complies with applicable legislative and other requirements; and
- (b) includes all relevant information to enable the relevant authority to consider the application without delay.

(3) A member of the steering committee referred to in section 12(1)(a) must monitor the processing of the application and report to the steering committee any regulatory concerns emerging for exploration or consideration of solutions thereto.

(4) If the approval, authorisation, licence, permission or exemption is not granted the relevant authority must provide reasons for such refusal to the steering committee and the applicant.

(5) The steering committee must, without delay, report to the Secretariat the outcomes of all applications for approvals, authorisations, licences, permissions and exemptions.

### **Steering committees and procedures**

16. (1) The Council may determine any matter necessary for the proper functioning of steering committees.

[(1) A] (2) Subject to sub-section (1), a steering committee may determine its own procedures to be followed at its meetings.

[(2) A steering committee must submit a progress report to the Secretariat at least on a monthly basis.]

[(3)] (2) (a) The Minister who chairs a strategic integrated project contemplated in this Act must cause to provide a steering committee with such secretarial or administrative support and with accommodation and work related facilities as may reasonably be required for the proper functioning of the steering committee or may, by agreement with the Minister, request the **[Economic Development]** Department to provide such facilities and support.

(b) The costs relating to the functioning of a steering committee are borne by the Department of the Minister who chairs unless otherwise agreed as set out in paragraph (a).

## **Part 5**

### **Processes**

#### **Processes relating to implementation of strategic integrated projects**

17. (1) Whenever any strategic integrated project is implemented in terms of this Act any processes relating to such implementation, including processes

relating to any application for any approval, authorisation, licence, permission or exemption and processes relating to any consultation and participation required by the relevant laws must, as far as it is possible and in order to expedite the matter, run concurrently.

(2) The processes set out in Schedule 2 provide a framework and guide for the implementation of any strategic integrated project, but the time-frames in Schedule 2 may not be exceeded.

(3) An executing authority may extend the period for completing any process listed in Schedule 2 involving public consultation if the relevant official makes a written request to the executing authority, provided that the relevant executing authority shall inform the Council within five days of such decision, with reasons for the extension.

(4) No decision made in respect of any matter contemplated by sub-section (1) is invalid merely because it was made outside the relevant period in Schedule 2 or any extended period in terms of sub-section (3).

### **Environmental assessments**

18. Whenever an environmental assessment is required in respect of **[an integrated]** a strategic integrated project, such assessment must be done in terms of the National Environmental Management Act, 1998 (Act No. 107 of 1998), with specific reference to Chapter 5.

## **Part 6**

### **General provisions**

### **Reporting by Minister**

19. (1) The Minister must, on a quarterly basis, report to the [Commission] Council and to the Management Committee on each strategic integrated project.

(2) The report contemplated in subsection (1) must be in the form and contain the information determined by the [Commission] Council.

### **Delegation and assignment**

20. (1) The Minister may delegate or assign any power granted to or duty imposed upon him or her in terms of this Act to an officer in the Department, except the power to make regulations.

(2) A power or duty so delegated or assigned must be exercised or performed in accordance with the directions of the Minister, who may at any time withdraw such delegation.

(3) A delegation or assignment under subsection (1) does not prevent the Minister from exercising the power or performing the duty in question himself or herself.

(4) (a) Subject to paragraph (c), a member of a steering committee may exercise or perform any power or duty on behalf of the organ of state he or she represents, if such power or duty is delegated or assigned to the member of the steering committee by virtue of any law.

(b) The head of an organ of state may, for the purposes of paragraph (a) and in so far as legislation administered by that organ of state does not provide for a delegation or assignment of a power or duty contemplated in that paragraph, delegate or assign the power or duty to the relevant member of the steering committee by virtue of this subsection.

(c) The power to grant an approval, authorisation, licence, permission or exemption may not be delegated in terms of this section.

### **Regulations, guidelines and targets**

21. (1) The Minister may, in consultation with the **[Commission]**

Council, make regulations regarding—

- (a) any matter that may or must be prescribed in terms of this Act;
- (b) the criteria that must be applied in the implementation of a strategic integrated project, relating to—
  - (i) skills development;
  - (ii) Green Economy;
  - (iii) employment creation;
  - (iv) youth employment;
  - (v) rural development; **[and]**
  - (vi) Broad-Based Black Economic Empowerment; and
  - (vii) local industrialisation;
- (c) the monetary values in respect of strategic integrated projects, contemplated in section 7;

- (d) subject to section 22, transitional arrangements applicable to strategic integrated projects in existence immediately prior to the date of commencement of this Act, which projects are listed in Schedule 3; and
- (e) generally, any ancillary or incidental administrative or procedural matter which is necessary or expedient to prescribe for the proper implementation or administration of this Act.

(2) Notwithstanding subsection (1), the Minister may set guidelines or targets relating to criteria set out in subsection (1)(b).

(3) The Minister must consult with the relevant Minister in making regulations relating to the criteria set out in subsection (1)(b), or in setting guidelines or targets relating to the criteria set out in that subsection.

## **22. Transitional arrangements and savings**

(1) The strategic integrated projects which exist when this Act commences, listed in Schedule 3, are deemed to be strategic integrated projects contemplated in section 8(1)(a) with effect from the commencement date of this Act.

(2) Any SIP coordinator, steering or technical committee which had been appointed in respect of a strategic integrated project prior to the commencement of this Act and which existed immediately prior to the date of commencement of this Act continues to exist and must be regarded as having been appointed in terms of this Act.
