6. Cashbook

### ALTERNATIVE RELIEF SOUGHT

In the alternative, should the Trust not receive a favourable consideration of this application within 21 days from the date of its receipt by the Department it shall call upon the Department to pay interest on the total amount sought from 01 April 2008 calculated in line with the number of houses that were constructed plus any damages the Trust may be charged by the Contractor which the contractor has advised the Trust that they include penalties from SARS, loss of income, and any other damages the Contractor may raise within the law against the Trust in respect of this project.

The Trust is doing everything it can to negotiate with the Contractor from taking further actions, but the Trust has come to realise that the contractor is indeed suffering damages and therefore an expeditious resolution of this application is critical to protect both the Trust and the Department from incurring any further claims from this project.

### UNDERTAKING BY THE TRUST

The Trust undertakes to suspend any claims against the Department and consider the matter settled in full on approval of the amount shown sought in this application.
