Road Traffic Management Corporation

Briefing by the Road Traffic Management Corporation (RTMC) on its Strategic and Annual Performance Plans 2014/15 to the Portfolio Committee on Transport

Presentation by: RTMC
Corporation Strategy (2014-2019)

Contents

RTMC and the Legislative Framework

Governance Framework

RTMC Strategy

Key Priority Areas

Budget 2014/15

Objectives of the RTMC

The RTMC is established as a partnership between national, provincial and local spheres of government

- To effect the pooling of road traffic powers of the Minister, MECs and the resources of national and provincial spheres of government responsible for road traffic management, in support of enhanced co-operative and co-ordinated road traffic strategic planning, regulation, facilitation and law enforcement;
- To enhance the overall quality of road traffic services and, in particular, to ensure safety, security, order, discipline and mobility on the roads;
- To phase out, where appropriate, public funding and phase in private sector investment in road traffic on a competitive basis;
- To introduce commercial management principles to inform and guide road traffic governance and decision-making in the interest of enhanced service provision;
- To regulate, strengthen and monitor intergovernmental contact and co-operation in road traffic matters;
- To stimulate research in road traffic matters and effectively utilise the resources of existing institutes and research bodies; and
- To develop human resources in the public and private sectors that are involved in road traffic.

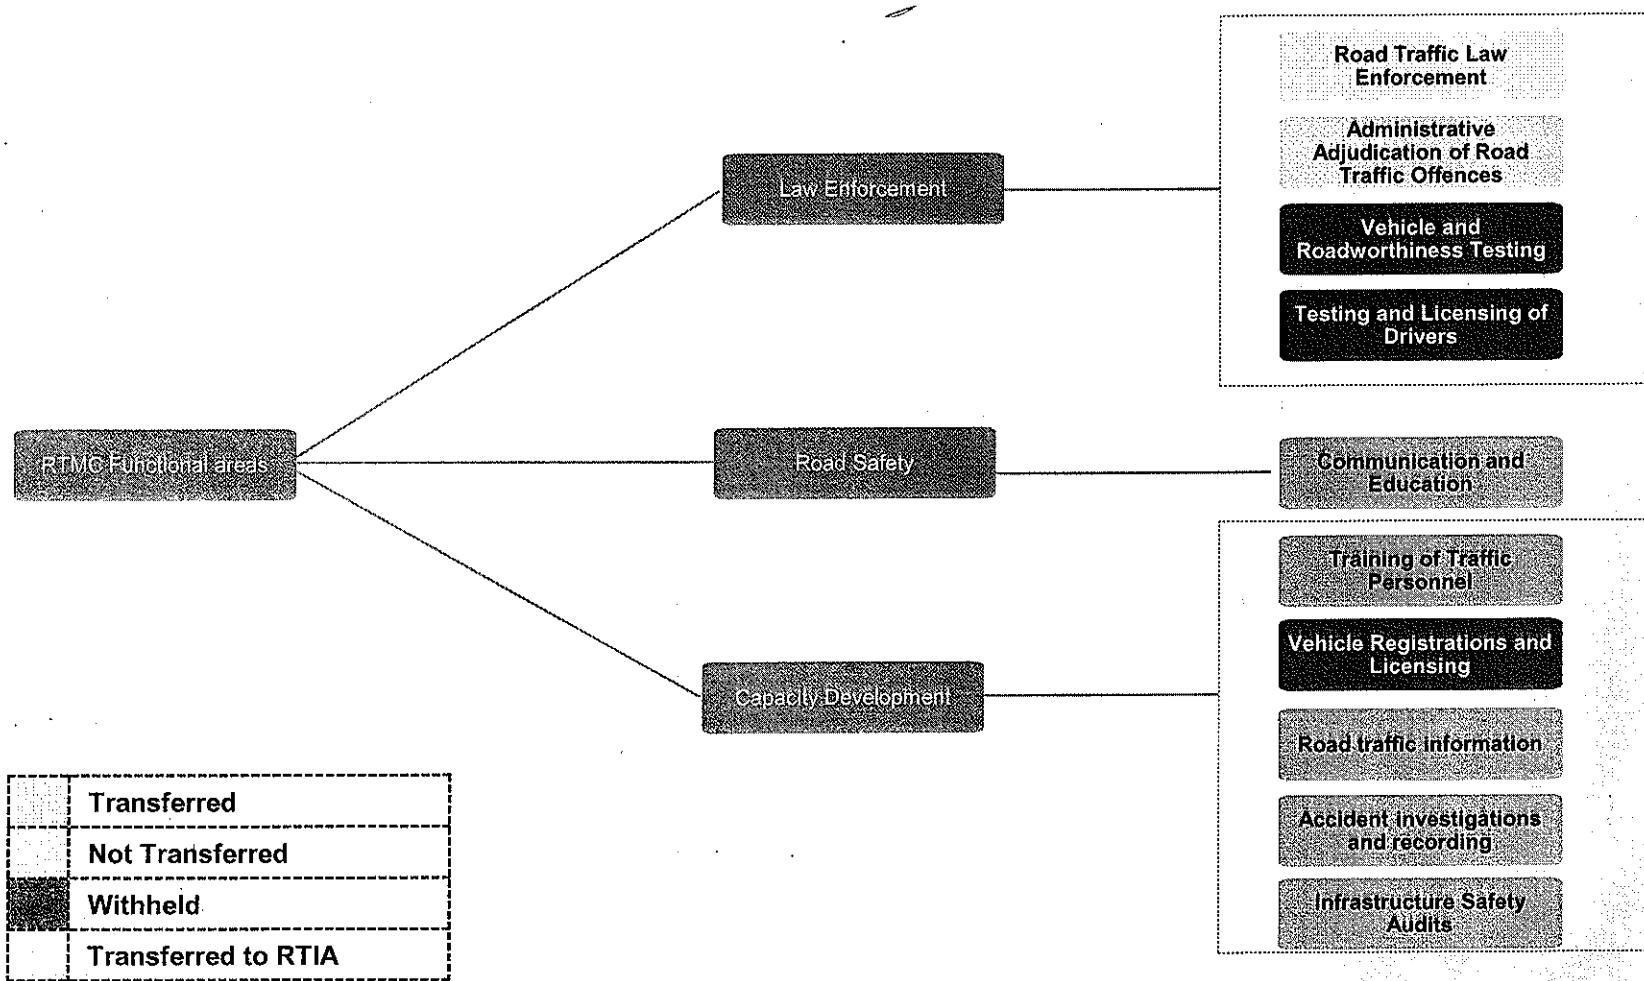

The Constitutional mandate of the RTMC in relation to other Spheres of Government

Competence	Concurrent
Provincial	Functional areas of exclusive provincial competence – Schedule 5 Part A and B a) Provincial Roads and Traffic

Competence	Local
Government	Functional areas of municipalities Section 156 of the Constitution a municipality has Executive Authority in respect of, and has the right to administer Local government matters listed in Part B of schedule 4 and Part B of schedule 5 has the functions of the municipal police area: a) Traffic and Parking b) Municipal Roads c) Prevention of crime d) Policing of municipal by laws e) Traffic policing, subject to any legislation relating to road traffic

RTMC Functional Areas

The Shareholders Committee must, as part of the organisational structuring of the RTMC, establish as many functional units as are required in accordance with the business and financial plan, to ensure effective management of, at least, the following functional areas:

Key Priority Areas

Budget 2014/15

Where we come from – Goals and Objectives 2013-2017

(10)

The key strategic goals, objectives, and key performance indicators

Improve and institutionalise stakeholder relations

Strategic Objectives

Promote and support road safety

Mobilise and sustain relations with other spheres of Government

Promote private sector participation

Combat fraud and corruption

Collaborate with DoT on road safety

Key Performance Indicators

- Road safety education and awareness campaigns
- Road safety marketing plans
- Vehicles stopped and checked
- High impact operations
- Formalisation of relationships
- Fraud and corruption programs

The key strategic goals, objectives, and key performance
indicators

Goal 2: Enable legislation to promote Road Safety

Key Performance Indicator

- Finalised national law enforcement code

Strategic Objectives

- Regulate the road traffic environment

The key strategic goals, objectives, and key performance indicators

Goal 3: Improve financial sustainability

Strategic Objectives

Improve revenue generation

Effective management of operational costs

Develop and implement funding model

Key Performance Indicators

- Reduction of non core costs
- Development and implementation of funding models

→ R680 million implemented

→

The key strategic goals, objectives, and key performance
indicators

Goal 4: Create a dynamic and transformed organisation

Strategic Objectives

Develop a 21st century curriculum
and cadre

Establish a centre of
excellence

Create a learning organisation

Enhance public confidence and
trust in road traffic information

Implement innovative technologies

- National Footprint
- Improvement of skills
- management systems
- implementation of performance
- reduction of vacancy rate
- Development
- Execution of Research and Information
- Improved quality of road traffic
- of norms and standards
- Development and implementation
- establishment of an academy
- qualification curriculum
- Development of driving school
- deployment models
- Revision of curriculum
- Development of traffic officer
- Develop a 21st century curriculum
and cadre

Key Performance Indicators

The key strategic goals, objectives, and key performance indicators

Foster Good Governance

Strategic Objectives

Following the rule of law

Equitable and inclusive organisation

Respond to developmental goals

Implement delegations of authority

Create a conducive environment
geared towards service delivery

Key Performance Indicators

- Compliance and Risk Management systems
- Corporate Social Investment
- Equity imperatives
- Multilateral relations
- Creation of and support of road safety structures

RTMC Strategy

Key Strategic Imperatives

Budget 2014/15

21st century curriculum and Cadre

The Traffic Profession is characterised by shortcomings, ineptness and inappropriate screening processes

Capacity Building

Qualification	Up-skilling	Recruitment
Revised basic traffic officer qualification and the curriculum	<ul style="list-style-type: none">• Up skilling of current traffic officers• New officers to be trained on the revised curriculum• Partnerships with institutions of higher learning	<ul style="list-style-type: none">• A 1 000 new traffic officers to be recruited in January• Implementation of adequate screening mechanisms

Sustainability

Good Inter-governmental Relations	National Deployment	Career Progression
<ul style="list-style-type: none">• Centre of excellence• Traffic Training Colleges	Development of the officer deployment model	<ul style="list-style-type: none">• Multi-skilling of traffic officers• Responsive structure to professional development

Road Safety

Road traffic injuries result in disability and loss of life, there is a need to build capacity and sustain efforts to address the problem

Capacity Building

Recruitment

- Recruitment of road safety officers for lectures/facilitators for road safety
- Recruitment of road safety officers for community liaison officers

Training

- Recruit training on the specialised road safety curriculum

Qualification

- Development and implementation of the road safety qualification
- Driving school instructor qualification
- Community liaison officers

Sustainability

Advocacy & Education

- Alignment between road safety and law enforcement

- Partnerships with institutions of higher learning
- Partnership with the private sector, NGOs and other role players

- National Road Safety Advisory Council
- Community Road Safety Council
- Road Safety Marketing

Road Traffic Information

A systematic approach to management of traffic information

Capacity Building

Methodology

- Define norms and standards for road traffic information
- Publication of reports

Systems

- Reinstate credible systems, and make the system available at all the provinces

realignment of the systems

Recruitment

- Appoint accident information officer at all key police station to capture AR forms

Data to verify novel accidents

Sustainability

Good inter-governmental relations

- Streamlines systems across all the provinces

Supporting Structures

- Independent Road Traffic Information Committee
- Collaborations with StatsSA, Health, Home Affairs, CSIR, SAP, MRC.

National Footprint

Opening of Provincial Offices
