Dear Ms Tshabalala

**RE: RESPONSE TO ALLEGATIONS THAT YOU MISREPRESENTED YOUR  
QUALIFICATIONS IN YOUR CURRICULUM VITAE**

The report appearing in the 13<sup>th</sup> July 2014 edition of the City Press with allegations that you do not possess a Bachelor of Commerce (BCom) degree and a Diploma in Labour Relations, as stated in your *Curriculum Vitae*, has been brought to my attention.

I am in possession of both your *Curriculum Vitae* and an affidavit you submitted to the Portfolio Committee on Communications ("Committee") during 2013 stating, amongst others, that you lost your academic certificates.

The Committee views these allegations in a very serious light. To this end, I write to request your full response to these allegations. In your response please confirm or deny the relevant allegations. In the event you deny the relevant allegations, please provide the Committee with the necessary information that would enable it to independently verify your qualifications with the University of South Africa. This information should include your student number and the years you were enrolled for the relevant qualifications as well as the dates you were awarded the certificates.

Please furnish the Committee with your written response by no later than Tuesday, 12 August 2014.

Yours sincerely,

  
Ms J Moloi-Moropa, MP

Chairperson: Portfolio Committee on Communication
