

## NCPS RATIONALE

- The initiative began early Feb 1995 as a response to the then Pres. Mandela's address at the opening of Parliament.

*"The situation cannot be tolerated in which our country continues to be engulfed by the crime wave which includes murder, crimes against women and children, drug trafficking, armed robbery, fraud and theft. We must take the war to the criminals and no longer allow the situation in which we are mere sitting ducks of those in our society who, for whatever reason, are bent to engage in criminal and anti-social activities"*
