BUDGET – 2011/12 TO 2017/18

OVERVIEW: EXPENDITURE ESTIMATES

28

Baseline allocations over the medium term grow from R76,3 billion in 2015/16 to R86,3 billion in 2017/18 at an average annual rate of 6%.

Baseline allocations over the period 2015/16 to 2017/18 have also been amended, and to the following extent:

- Cabinet approved reductions to the baseline of the Department over the medium term period of R517.1 million in 2015/16, R1.240 billion in 2016/17 and R802 million in 2017/18. These reductions were effected from *goods and services* comprising of R366.3 million in 2015/16, R586.4 million in 2016/17 and R634.9 million in 2017/18. Furthermore, R150.8 million in 2015/16, R653.2 million in 2016/17 and R167.1 million were removed from payments for capital assets (*buildings and other fixed structures and transport equipment*).
- Of these amounts, R352.9 million in 2015/16, R372.3 million in 2016/17 and R790.9 million in 2017/18 have been reallocated to provide for higher personnel remuneration costs in each of the three years than the main budget provided for, and the replacement of transport equipment in 2017/18.

SPENDING POLICY DIRECTION 2015/16...

29

The spending focus over the medium term will be on:

- Provision to maintain the personnel capacity,
- Professionalising the police service through skills development,
- Continued strengthening of the criminal justice system by means of the criminal justice sector revamp and modernisation programme; and
- Investing in physical resource and capital infrastructure.

These activities support the JCPS Cluster objective of creating safer communities and contribute towards ensuring that people in South Africa are and feel safe (outcome 3).

SPENDING POLICY DIRECTION 2015/16...

30

More specifically it will include:

Implementation of an integrated CJS to ensure a single, coordinated management of criminal justice and performance, focusing on funding for Forensic Services and the broader Detective Service in SAPS to enhance crime investigations. This will include selected Visible Policing aspects (such as training of MIOs, MICs, Legal Administrators) and Community Mobilisation initiatives (CJS 7-point Plan)

Provision for equipment and training for detectives to enhance the process of investigation of crime.

Maintaining a capacity that allows for interventions through external deployment.

Establishment of victim-friendly facilities.

...SPENDING POLICY DIRECTION 2015/16

Investment in capital equipment to support basic policing services such as vehicles

31

Maintaining and replenishing the fixed-wing aircraft and helicopter fleet, including the procurement of requisite physical resources and the replacement of exiting personnel

Policing of major events

Purchasing critical equipment such as firearms, ammunition and clothing

Community Outreach Programmes; Izimbizo and Community-based recruitment programmes: Heeding the call by the President to take Government to the people

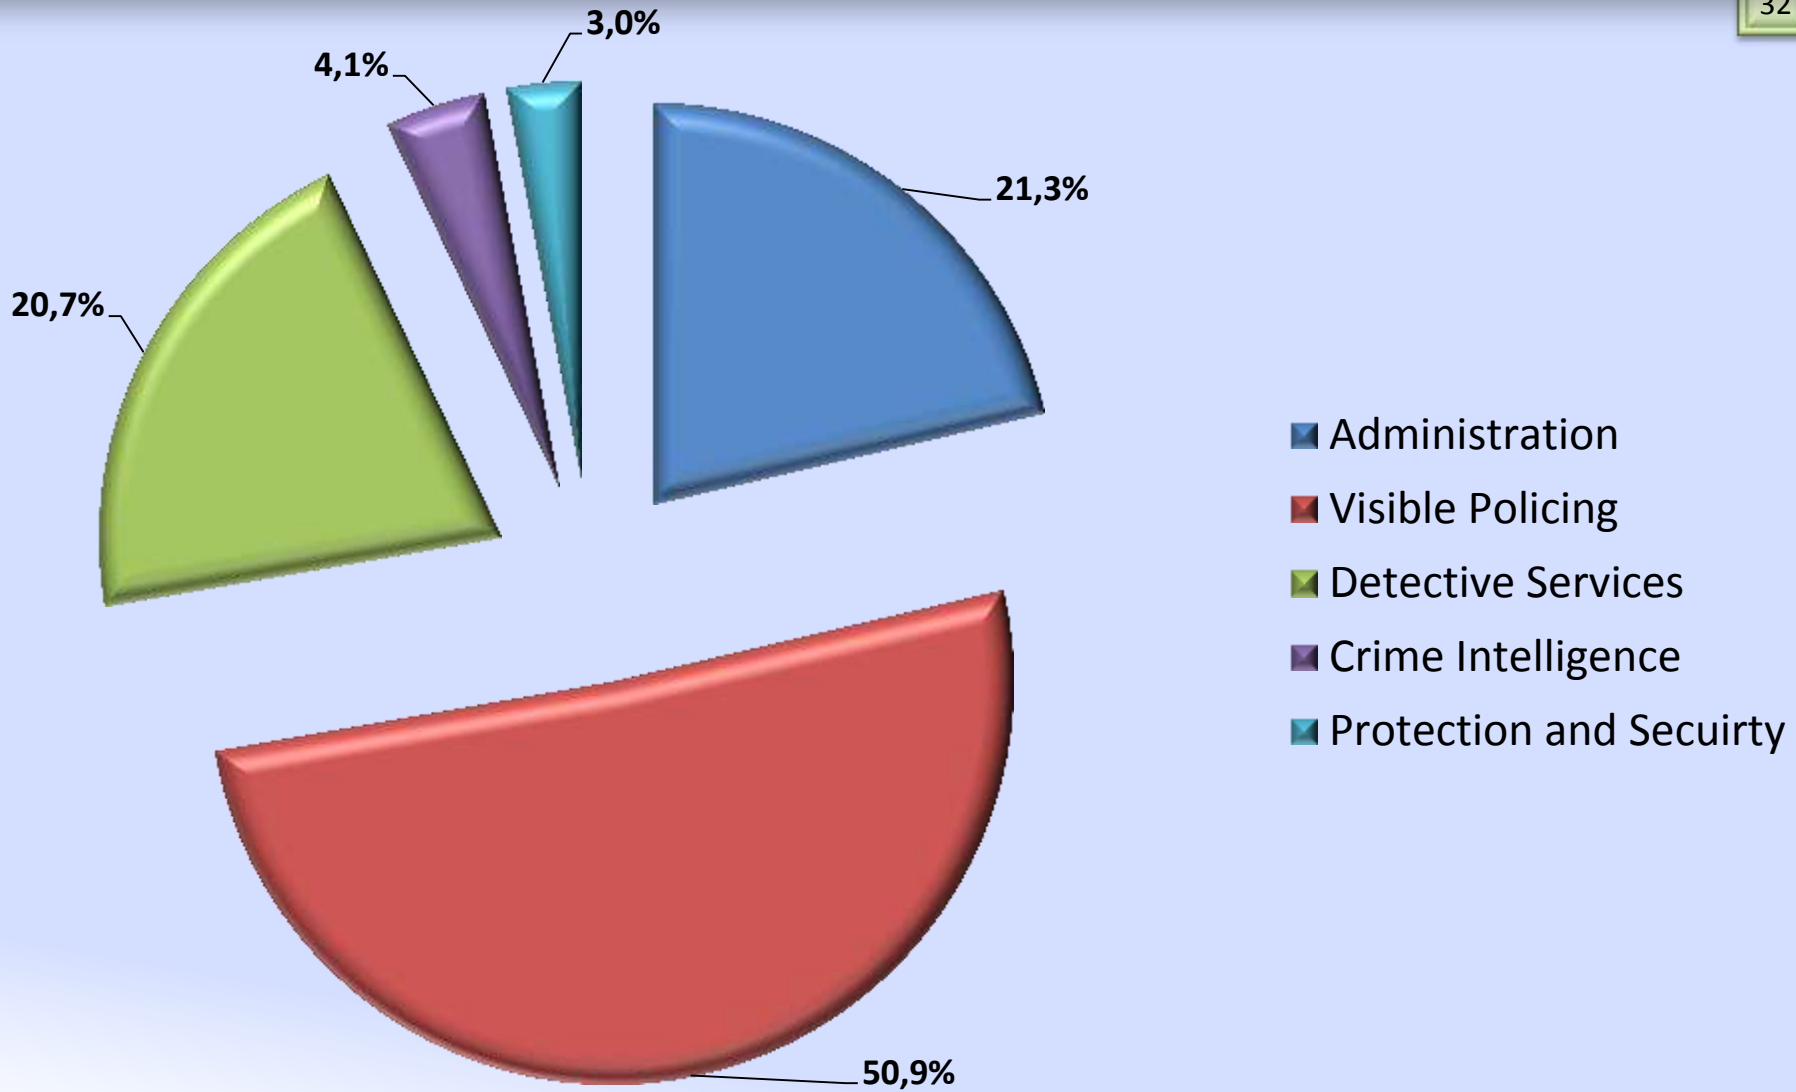

Conducting high risk operations

Policing community protests

PURPOSE, OBJECTIVES AND PERFORMANCE MEASUREMENT

PROGRAMME 2: VISIBLE POLICING

61

Purpose: Enable police stations to institute and preserve safety and security, and provide for specialised interventions and the policing of South Africa's borders.

Strategic objective: To discourage all crimes by providing a proactive and responsive policing service that will reduce the levels of priority crimes.

The Visible Policing Programme comprises the following three **subprogrammes:**

- *Crime Prevention*
- *Border Security*
- *Specialised Interventions*

PROGRAMME 2: VISIBLE POLICING

Strategic Objective: To discourage all crimes by providing a proactive and responsive policing service that will reduce the levels of priority crimes

PROGRAMME 3: DETECTIVE SERVICE

75

Purpose: Enable the investigative work of the South African Police Service, including providing support to investigators in terms of Forensic Evidence and the Criminal Record Centre.

Strategic objective: Contribute to the successful prosecution of crime, by investigating, gathering and analysing evidence, thereby increasing the detection rate of priority crime.

Programme 3 comprises of the following four **subprogrammes:**

- *Crime Investigations*
- *Specialised Investigations*
- *Criminal Record Centre*
- *Forensic Science Laboratory*

PROGRAMME 3: DETECTIVE SERVICE

PURPOSE, OBJECTIVES AND PERFORMANCE MEASUREMENT

PROGRAMME 4: CRIME INTELLIGENCE

90

Purpose: Manage crime intelligence and analyse crime information, and provide, technical support for investigations and crime prevention operations.

Strategic objective:

- To gather, correlate, coordinate and analyse intelligence

The Crime Intelligence Programme comprises the following two subprogrammes:

- *Crime Intelligence Operations*
- *Intelligence and Information Management*

PROGRAMME 4: CRIME INTELLIGENCE

Strategic Objective: To gather, correlate, coordinate and analyse intelligence

SUB-PROGRAMME: CRIME INTELLIGENCE OPERATIONS

91

Strategic Priority	Performance Indicator	Audited/Actual Performance		Estimated Performance 2014/15	Medium-term Targets		
		2012/13	2013/14		2015/16	2016/17	2017/18
Provide crime intelligence products to support crime prevention and the investigation of crime	Number of enquiries investigated ³³	New performance indicator	New performance indicator	New performance indicator	13 350	14 002	14 702

	Number of network operations conducted ³⁵	37 188	34 534	32 507	759	833	875

³³Enquiries investigated refer to carrying out a systematic enquiry into an allegation so as to establish the facts and truth surrounding the allegation before operationalising the information. The operationalisation of intelligence must be finalised within a 14 working day period (the period may be extended in certain circumstances) If the process is not finalised within the set period or extended for valid reasons, the enquiry will become the first stage of culminating into a network operation.

³⁴Ad hoc operations refer to operations which do not form part of a registered undercover or network operation, and which are usually initiated by other components in SAPS using intelligence supplied by Crime Intelligence, on condition that there must be a file opened.

³⁵ Network operations relates to a process of obtaining, assembling, and organising information through exploitation of all types of sources on a target (organisation, group or individual) for further intelligence processing and/ or use as evidence. Network operations are approved by the National or Provincial Network Operations Evaluation Committee for the maximum duration of 3 months. This indicator excludes enquiries and ad hoc operations as they will be reported separately as of 2015/16.
