Dear Mr Motimele

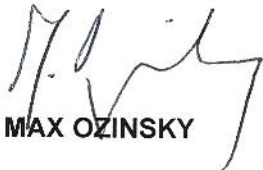

PRESENTATION TO PORTFOLIO COMMITTEE ON PROVISION OF SUBSIDISED TRANSPORT TO MILITARY VETERANS

1. The program of the Portfolio Committee on Defence and Military Veterans and the topic for discussion on 15 November 2017 refers.
2. Unfortunately DMV has no progress to report on the provision of subsidised transport to military veterans, as this issue has not been resolved with the Department of Transport and other stakeholders.
3. DMV humbly apologises for this situation and will make sure that progress is made on the issue before the end of the financial year.
4. We remain ready to present on the provision of housing to military veterans in the meeting of the 15 November as arranged.
