

Table 1. Complaints from Limpopo (Mopani and Waterberg Districts)

Name	Issues/complaint	Recommended intervention
NKOWAKOWA		
Reinald Manyama Modjadji Land Claim	<ul style="list-style-type: none"> - A land claim was lodged in 1998 by Queen Modjadji on behalf of the tribe. - There is no progress of the claim. It is unclear why the claim was not finalised. The Modjadji claims do not have any counterclaims on their land. 	The RLCC to provide status report to the Committee and the Claimant and further facilitate settlement and finalisation of the claim.
Maluleke Alina (Babangu)	<ul style="list-style-type: none"> - The community has access to land used as ploughing fields. - Can the community sell the land; can they form CPA so that government can assist? - Are there CPA offices in Greater Giyani? Let me know of its location 	The DRDLR, in terms of CRDP could try and find out if there is any production on the land and what support is required. Further run workshops on communal land tenure and rights that people have
W Mashele Mhlaba-Willem Land Claim	<ul style="list-style-type: none"> - When is the commission going to pay their compensation money? They do not want CPA but they want money. 	The RLCC to provide status report on finalisation and payment of compensation to claimants
(name of speaker not audible) Mamahlola	<ul style="list-style-type: none"> - Allegation of sale of the CPA land. - Members of CPA did not participate in the decision-making around this transaction. 	Progress report and interventions regarding the sale of land. The project need social facilitation to minimise tensions and conflicts within CPA
MOKOPANI		
??? (Name not audible) Mentorship in Waterberg	<ul style="list-style-type: none"> - Problem of CPAs and Mentorship. The CPA received R8.5m and R3m. - The mentor, appointed by government, introduced his son to work with the CPA. He took R1.5m to purchase equipment. Surprisingly, he brought 2nd hand equipment. The balance was not given to the CPA. - Got into legal battles with the mentor - There was also a concerned group from the 1st CPA working with the 1st Committee. 	<p>The Department to investigate this matter and report to the Committee regarding the following:</p> <ul style="list-style-type: none"> - Strategic partnership and mentorship - Funding of the partnership – Was it recap. - What is the state of the case as reported? <p>Department to present a plan on how it will facilitate and help the CPI resolve the matters and use the land productively.</p>

	<ul style="list-style-type: none"> - People of the first Committee & the White farmer have allegedly robbed the CPA 	
<p>William Lebelo Lebelo CPA</p>	<ul style="list-style-type: none"> - Since 2006, the CPA has not functioned well. But since Parliament assisted with some guidelines on how to work, the CPA is working on the Constitution that was given to us. - Since 2015, the CPA of Lebelo has started complying with the government department. There are no infightings anymore. - The challenge is the traditional leaders in the areas. They send people on our land to allocate residential sites on land that is under claim by the CPA - They worked with the Municipality to revive the forum. Municipality is not involved, and requested that municipality should become more involved. 	<p>The Department and the municipality should assist in resolving the tensions between the CPA and Traditional Leaders.</p> <p>Interventions could entail the following:</p> <ul style="list-style-type: none"> - Meetings with interested and affected parties to understand the extent of the challenge. - Mapping a way forward which includes, amongst others, running workshops on legal entities (CPAs mainly), and clarification of the roles in the community. - Facilitate discussion on best possible way to work together in the future.
<p>Kutu (Modimolle Community Development Trust)</p>	<ul style="list-style-type: none"> - The trust was established in 2004, since then there is nothing to show for it. - In 2015 after the intervention of the DRDLR, they formed two committees as a compromise – audit and resettlement committee. - They have engaged with the Master of the High Court. The file shows infighting and other maladministration. - DRDLR and the Master has washed out their hands. 	<p>The Department to present a status report to the Committee about the Modimolle Community Trust on the following:</p> <ul style="list-style-type: none"> - Its engagement with the Master of the High Court about the matter. - Steps that it has taken to support production on the farm. - Possible interventions to support production but also working with the Master to resolve the governance issues of the Trust.
<p>???</p>	<ul style="list-style-type: none"> - The CPI Forum must be empowered. - They must be elected by the people and must be accountable to people and not government. - They must operate in a bottom up manner rather than top down approach in which decisions of government are imposed on people. 	<p>The Department has a draft of the terms of the reference for the Forum but it has not been finalised.</p> <ul style="list-style-type: none"> - DRDLR must finalise the terms of reference. - Clarify the roles of the forum and that of the DRDLR - Clarify that the fora are not government entities – they are voluntary organisations to support development.

<p>E. Mesi</p>	<p>In 2001, they claimed the farm and Government bought the farm for them as it was on sale. They got a title deeds. The Chairperson of the CPA did not tell them the farm was not paid. In 2006, they were told that the farm was not paid. The Chairperson took a Land Bank Loan, which they did not know what it was for. They paid R32 000 a year for the loan. Now they are told they still owe Land Bank R304 000. They were 19 members but now they 11, some members left because they did not want to pay for something they don't know.</p>	<p>The Department must present a status report on the farm and more information on the Land Bank loan.</p>
<p>Emhlabathini CPA – Emkhono –Piet Retief – Mr Malinga.</p>	<p>Problem started when the farm (forestry) was transferred to CPA in 2016. They were workshopped about CPA. The problem is that the Chairperson took his people to open a bank account. Now a family business report to the Department. Mr Mabaso, an official from the Department organise a meeting and the chairperson promised to attend but his advisor asked him not to attend. The CPA members asked the Department to stop production until the chairperson meet them. The chairperson used affidavit to prove that a resolution has been taken whenever he wants to do something. The last meeting, the Chairperson attended was on 11 December 2016 and was asked to provide financial statement. He promised to bring the statement on 17 December 2016 but he did not.</p>	<p>Comprehensive and status quo report on the CPA.</p>
<p>Ekukhanyeni CPA – Lungile Makhobot??</p>	<p>A white farmer came with Mr Mahlalela and informed them that they owe money. They took all tractors and equipment. The Department told them that the new farmer bought the farm. They do not know who the farmer, how he bought it and who got the payment.</p>	<p>Comprehensive report on the CPA</p>

		government will not pay members of the executives of these fora.
Lena Seoba Seema CPA	<ul style="list-style-type: none"> - The CPA acquired the farm in 1998; since then nothing has happened on the farm. Not even the title deed on the farm. - There is a white man on the farm who is running the project and we do not know how that is taking place without our knowledge. - Farms have been gazetted and they fall under Gillenburg? It is unclear to the community how the farm should fall under the farms. The Chiefs are allocating land on farms that belong to CPAs. 	<p>The Department must submit progress report to the Committee on the Seema CPA. It must also assist to resolve the tensions between traditional leaders and the CPA.</p> <p>Further clarify the role of traditional leaders, if any, within the CPA on the basis of the CPA constitution.</p> <p>Social facilitation is required for this CPA.</p>
(name inaudible) Koka matlou CPA	<ul style="list-style-type: none"> - Increasing tension between mines and CPAs due to boundary disputes. No control, the mines and people are encroaching on the land owned by the CPA. - Mining companies are allegedly allocating land to people without talking to the CPA executives or members. - The DRDLR's version of boundaries contradicts the boundaries laid out in the title deeds. - Access to water and related disputes with the local municipality. The land has a number of boreholes and the CPA has water rights over the land, and it pays for the water. The problem is that the Mookgaloa Municipality draws water from these privately owned boreholes to distribute to communities without any cost. 	<p>DRDLR to submit a status report.</p> <p>Further map out a plan of action on how this complain will be resolved.</p> <p>Social facilitation is required, especially involving mining companies, neighbouring communities and traditional leaders.</p>
Mamashela Community Trust	<ul style="list-style-type: none"> - Allegations that an MEC is distributing land to people known to her/his brothers - Commissioners and advisers – they encourage the people who want land to allocate sites on CPA land. - Banks are also problematic, why does banks change signatories for CPA accounts to persons who are not members of CPAs? 	<p>The DRDLR must present a report about Mamashela Community Trust and the allegations.</p> <p>The status report about land ownership and production as well as support mechanism in place.</p>
