## **MEMORANDUM ON THE OBJECTS OF THE PUBLIC AUDIT AMENDMENT BILL, 2018**

### **1. INTRODUCTION**

1.1 The Public Audit Act, 2004 (Act No. 25 of 2004) (hereinafter referred to as the “principal Act”), gives effect to section 188 and 189 of the Constitution of the Republic of South Africa, 1996 (“the Constitution”) by establishing and assigning supreme auditing functions to the Auditor-General. Considering the provisions contained in the Constitution, read with the principal Act, the Auditor-General enjoys a large degree of independence, which allows for freedom to select the most effective ways to execute its constitutional mandate.

1.2 However, the principal Act does not give the Auditor-General the authority to take remedial action nor to ensure that losses suffered by the State are, where possible, recovered.

1.3 During the past 13 years since the commencement of the principal Act, the Auditor-General’s efforts to assign consequences for poor financial and performance management through its audit reports had yielded mixed results. Year on year the Auditor-General reports astronomical amounts of unauthorised, irregular and fruitless and wasteful expenditure.

### **2. OBJECTS OF THE BILL**

Hence, the Public Audit Amendment Bill, 2018 (hereinafter referred to as “the Bill”), seeks to amend the principal Act so as to, *inter alia*, provide for the Auditor-General to take remedial action, to ensure that losses suffered by the State are, where possible, recovered, as well as to refer certain suspected material irregularities for investigation. The Bill further seeks to empower the

Auditor-General to perform international audit work and to conduct performance audits; and to align the Auditor-General's governance arrangements to current best practice.

### **3. CONTENTS OF THE BILL**

3.1 Clause 1 of the Bill inserts new definitions into the principal Act and deletes certain definitions.

3.2 Clause 2 of the Bill inserts a new subsection (3A) into section 4 of the principal Act, which empowers the Auditor-General to prescribe criteria on how to exercise his discretion when performing discretionary audits referred to in section 4(3) of the principal Act. Clause 2 of the Bill also amends section 4(4) of the principal Act to provide that section 4 of the principal Act prevails notwithstanding any other contrary law.

3.3 Clause 3 of the Bill amends section 5 of the principal Act by providing for additional functions for the Auditor-General.

Clause 3 amends section 5(1) of the principal Act by inserting provisions which mandates the Auditor-General to conduct performance audits and to provide audit and audit related services to international associations, bodies, institutions or organisations provided that certain conditions are met.

Clause 3 also inserts new subsections (1A) and (1B) into section 5 of the principal Act. The new subsection (1A) empowers the Auditor-General to refer any suspected material irregularities to a relevant public body for investigation. The new subsection (1B) empowers the Auditor-General to take any appropriate remedial action and to issue a certificate of debt where an accounting officer or accounting authority has failed to comply with remedial action.

Furthermore, clause 3 amends section 5(2) of the principal Act by providing for the establishment and functions of a remuneration committee.

- 3.4 Clause 4 of the Bill inserts a new Part 1A into Chapter 2 of the principal Act. This new Part 1A sets out the process to be followed by the Auditor-General when taking remedial action. It further provides that where a material irregularity resulted in a financial loss to the State, and the accounting officer or accounting authority failed to implement the recommendations contained in an audit report, the remedial action taken by the Auditor-General must include a directive to the accounting officer or accounting authority to recover the loss from the responsible person. Where the accounting officer or accounting authority has failed to implement the remedial action, clause 4 provides that the Auditor-General must issue a certificate of debt to the accounting officer or accounting authority to repay the amount specified in the certificate. A copy of the certificate must be submitted to the executive authority to collect the amount specified from the accounting officer or accounting authority in terms of the debt recovery process applicable to the executive authority.

This new Part 1A also stipulates that, in determining whether to issue the certificate of debt, the Auditor-General must consider any written representations received from the accounting officer or accounting authority and may have regard to certain reports or the outcome of certain investigations. It also provides that an accounting officer or accounting authority be afforded an opportunity to make oral representations to an advisory structure in the event that the Auditor-General still intends to issue the certificate of debt after considering the written representations.

- 3.5 Clause 5 of the Bill amends section 7(1A) of the principal Act by providing that the Independent Commission, when considering the remuneration of the Auditor-General, must also consult the newly established remuneration committee.
- 3.6 Clause 6 of the Bill amends section 10 of the principal Act by providing that the Auditor-General must submit reports on performance audits and international audits, submit reports on any matters referred to a relevant public body for investigation, submit reports on any remedial action taken as well as on any certificates of debt issued.
- 3.7 Clause 7 of the Bill amends section 12(3)(b) of the principal by substituting the word "prescribing" with the phrase "setting out".
- 3.8 Clause 8 amends section 13(1)(b) of the principal Act to provide that the Auditor-General must also determine the frequency of audits referred to in section 11. Clause 8 also inserts a new subsection (1A) into section 13 to provide that the Auditor-General must annually consult the National Treasury on the frequency, nature and scope of audits performed in order to facilitate the determination of audit fees in terms of section 23.
- 3.9 Clause 9 of the Bill amends section 20(2) of the principal Act to revise the content of the audit report in relation to financial statements. Furthermore, the Bill inserts a new subsection (4) into section 20 of the principal Act to provide that an audit report may contain recommendations.
- 3.10 Clause 10 of the Bill amends section 23 of the principal Act by providing for the defraying of certain excess audit fees as a direct charge against the National Revenue Fund. The clause also provides for a process to determine the estimate of funds required annually.

- 3.11 Clause 11 of the Bill amends section 27 of the principal Act to substitute the term “Public Accountants’ and Auditors Act”, which has been repealed by the Auditing Profession Act, 2005 (Act No. 26 of 2005), with the term “Auditing Profession Act”.
- 3.12 Clause 12 of the Bill amends section 34 of the principal Act to provide that the Auditor-General must, in determining the remuneration, allowances and benefits of employees, consider the recommendations of the remuneration committee.
- 3.13 Clause 13 of the Bill amends section 40(1) of the principal Act by providing that the Auditor-General, instead of the Deputy Auditor-General, must establish and appoint the members of the audit committee.
- 3.14 Clause 14 of the Bill amends section 41(2) of the principal Act by providing that the financial statements of the Auditor-General need only be in accordance with international best practice as approved by the oversight mechanism.
- 3.15 Clause 15 of the Bill amends section 52 of the principal Act by specifying the regulations that must be made by the Auditor-General.
- 3.16 Clause 16 amends certain expressions in the principal Act.
- 3.17 Clause 17 amends the arrangement of sections to the principal Act.
- 3.18 Clause 18 of the Bill provides for the commencement date of the Amendment Act and further stipulates the date of operation in respect of section 5 and 10 of the Amendment Act.

## **4 ORGANISATIONAL AND PERSONNEL IMPLICATIONS**

- 4.1 It is projected that three additional staff members would need to be appointed in order to implement the additional functions.

## **5 FINANCIAL IMPLICATIONS FOR THE STATE**

- 5.1 The estimated cost to implement the additional powers of the Auditor-General is estimated at R33 956 979.00 per annum for the first three financial years following the commencement of the Bill. This figure will be adjusted as the new processes mature over time. The remaining amendments will not have a cost implication for the State.

## **6 DEPARTMENTS, BODIES OR PERSONS CONSULTED**

- 6.1 The following stakeholders were consulted:
- The Auditor-General; and
  - National Treasury.
- 6.2 Written public submissions were invited and public hearings were held over three days.

## **7 PARLIAMENTARY PROCEDURE**

- 7.1 The Committee proposes that the Bill must be dealt with in accordance with the procedure established by section 75 of the Constitution since it contains no provisions to which the procedures set out in section 74 or 76 of the Constitution apply.

- 7.2 The Committee is of the opinion that it is not necessary to refer this Bill to the National House of Traditional Leaders in terms of section 18(1)(a) of the Traditional Leadership and Governance Framework Act, 2003 (Act No. 41 of 2003), since it does not contain provisions pertaining to customary law or customs of traditional communities.
