RE: Early naturalisation request

Mrs. Angoori Gupta  
Mr. Kamal Kant Singhala  
Mr. Surya Singhala

Dear Sir

In support of our Section 5 (9) application for the above applicants please find below for your kind consideration.

As a family through - various investments vehicles and operating Companies and through the holding company Oakbay Investments (Pty) Limited has made significant investments in South Africa over many years. Our efforts and investments always focus on social upliftment.

Some highlights of recent programs we have focussed on included an investment in excess of R1 million in sport kits, clothing and equipment to support 75 schools in the North West region around in the communities around one of the mines at which we provide services. This project managed to reach the hearts and minds of more than 50 000 pupils for which were very happy!

Another ongoing project which we are very proud of is our school feeding scheme whereby we support different schools in the suburbs where we operate by providing stationary kits, school uniforms and a take-away lunch for every pupil at the school! Many of the kids have told us that these meals are the first time they ever had something like KFC!

One of the most notable achievements that we have had and which we certainly consider to be our proudest moment in South Africa thus far is the fact that we have been able to provide permanent and decent work opportunities to more than 5,000 employees in our group today. Every single one of these happy employees is able to look after their families and that makes us grateful for the opportunities that we had in SA to invest and improve the lives of so many people. It is our dream to keep on investing in this beautiful country and one day – hopefully sooner rather than later – have this number of employees grow to 100,000!

We have over the years invested as much as we could in the country are very happy that we have reached a level of R25 billion investment in various entities and the country!

Your favourable consideration of our request for early naturalisation into South Africa will be highly appreciated – we have made this country our home already!

Regards

Hi Tony

I am reaching out to you for assistance. I am dealing with a sensitive immigration matter where an immigration officer at ORT, who clearly is not trained properly to discharge his duties, refused a businesswoman who is my client entry into SA on incorrect grounds.

Under S8 of the Immigration Act, the Minister must on written request review the decision of the immigration officer.

We have made this request and the Minister has failed to respond with the result that my client's embassy wishes to intervene on her behalf.

If you are able to, may you share Minister Malusi Gigaba's or his secretary's direct telephone number with me so that I can discuss this with him and avoid making Application to the High Court where he will be painted in a negative light.

I am indebted to you for any help that you are able to extend to me.

Yours faithfully

The other issue is the security clearance...

 Greetings Koekie

Thank you for the analogy below. The main problem lies with transparency on how things are done in the Department, in relation to the who exercise of re-prioritization. Had there been transparency, we would not be having this problem.

Mr Grobler was made an offer before July 2013 and he was placed to London, with approval of Minister Pandor, in October 2013. Mr Grobler left for London in December 2014. The reasons why he took a year to live are well documented. Both DG and DDG McKay were aware of interaction with SSA (State Security Agency). And throughout all this time, Mr Hlongwane and Mr Motshemoa were aware of the stage of each process. And we also had more than one meeting with Ms Avril Williamson (DDG:HR), providing briefing on each individual due for placement or repatriation.

Why no one bothered to contact FOC before un-funding of the posts is the mystery. And it is the lack of transparency that prevails in the re-prioritization of posts. In the Budget Committee meeting of 2014, DG set aside an allocation for Foreign Missions. The budget approved by the Committee is attached. And all this time we worked on the basis of posts funded.

The placement of officials to Foreign Missions cannot be treated in the same light as filling of posts in the Department. DG made this remark during the Budget Committee. He emphasized that we depend on other Departments to conclude the process. And therefore, using the same measure to decide on un-funding is unscientific. Had FOC been consulted, those tasked with un-funding of posts would have been made aware that the posts in London and other missions do not fall part of the criteria. We have records to prove that both DG and Minister were kept up to date on the process until all officials were placed and repatriated.

We are appealing that the process that led to this post and other posts to be unfunded has to be reversed. There is no way that a post that has been filled can be deemed not a priority. The post was filled but not occupied because of reasons well-known by all those involved in the process, including DG, DDG Avril and DDG McKay.

On the issue of India, please note that a decision has been taken by Minister to deploy both Mr Christians and Ms Munyadziwa. If you need guidance on this matter, please talk to DDG:HR (Acting). It is my understanding that Minister has issued an instruction and not an opinion or recommendation. Our role is to carry the Minister's instruction. DG, DDG:HR, DDG:IMS and Ms Mocke know the instruction and what is supposed to be done. All we working on at FOC is to ensure that Minister's instruction is realized within a short-space of time.

Ms Wilkins, please seek the guidance of DDG:HR on this matter, as we have no authority to do contrary to what Minister has instructed.

Dear Colleagues

Please be informed that at 31 May 2014, the London Office had 5 funded posts (4 x SL8 and 1 x SL12).

During the reprioritisation process for 2014/2015, 2 x SL 8 posts were unfunded due to the posts being vacant (at the end of August 2014 - when the physical unfunding was done) and did not fall into any of the priority categories as identified by the Department that remained funded. None of the FOC posts was identified on the "Offers issued".

The posts were occupied by: RM Malekanyo (transfer to Vryburg was done with effect from 5 May 2014, but were only effected on Persal on 23 July 2014) and K Ngoma (transfer to Civic Services with effect from 1 May 2014, but were only effected on Persal on 12 August 2014).

Therefore, there is not a vacant post to move Mr Grobler into, unless the post can be re-funded. The posts should have been included on the "Offers issued" as the respective offers were issued earlier.

Please also be informed that the SL 10 post in India (New Delhi) is filled by RC Steyn and therefore Christians cannot be placed.

The same problem exists for India (Mumbai), as the SL 10 post is filled by HT Mashaba and therefore Ms Munyadziwa cannot be placed.

I hope this clarifies the two matters. If you have any enquiries, please liaise with me.

Kind regards

Koekie

Greetings Mr Hlongwane

The challenge is that Mr Christians deployment did not come through the process. FOC was informed of his deployment through DDG:HR (Acting). What Pulane is asking for is that HR get the information from DDG and put it on paper.

Remember that this deployment was done outside the normal recruitment process. FOC does not have background information on how Mr Christians was selected. But because we were involved in the identification of Ms Munyadziwa, we were able to provide her with a briefing. The role of FOC in the submission was to advise on areas to cover.

Trust this clears the matter.

It seems like you are abdicating your responsibilities, how can HR provide the background on Mr Christians deployment as the information that is in the submission was provided by your office. Simply put, you know more about this matter than HR

Morning Mr Motshegoa,

I discussed with Mr Kobese and he confirmed that both letters should be forwarded to the officials through their Heads of office by HR and not FOC. Since Ms Munyadziwa is based in FOC she had been given her letter after proper discussion with her based on the purpose and principles of her transfer. It will not be proper for FOC to forward a letter to Mr Christians and his office without HR giving the background on his transfer abroad.

Greetings Mr Hlongwane

This serves to confirm receipt of the submission signed by Minister. And this seeks to request you to issue Ms Munyadziwa and Mr Christiaans with transfer letters as follows:

1. Ms Munyadziwa  
As per Minister's approval, she is to be transferred to a mission in Mumbai for a full-term (four years) at the same level, of Assistant Director.
2. Mr Christiaans  
To be transferred to a mission in New Delhi, subject to obtaining a Top Secret Clearance, for a full-term (four years) at same level, of Assistant Director.

Upon receipt of these letters, the officials will be informed and preparations will be made for their accreditation. Also the FOC will inform their supervisors. Upon departure, the posts they occupying will be released for filling, as they will become vacant. It is important that all this process is done and Persal is informed of it. We will await for the transfer letters, to initiate the accreditation.

Ashu

As per my meeting with Mr. Gupta yesterday, we discussed some business relating to the sale and purchase of coal to prospective clients. During the meeting Mr. Gupta referred to a possible 2.5% commission on the value of each deal referred to yourselves.

I have been in contact with some people who are serious buyers from China and are in need of Coal supplies. I have attached a copy of there coal agreement purchase of 2010 which contains certain specifications and would request yourselves to confirm if you can supply the same at competitive rates.

These are serious buyers and should you be able to supply the quality and quantities required I will refer the client and arrange for the necessary meetings.

It has also been brought to my attention that a coal mine is up for sale in the TETE region of Mozambique and should you guys be interested please inform me so I can revert yourselves to the relevant individuals.

Your urgent response in the above regard would be highly appreciated.

**Subject:** Fwd: SA Visa

Dear Ashu ji,

I once again would like to request you to look into the email below, which I had sent you some time back.

Anant has now been banned from SA visit for more than a year and now he has not be getting other country visa too. I would like to inform you that he works for IPL Franchise and is expected to travel to SA some time soon.

I would sincerely be grateful if you could please help in taking this ban removed, I did speak to Tony ji and he thus instructed me to take this up with you.

My sincere apologies for troubling you, but please consider my request.

Thank you  
 Abhinav

Dear Ashu ji,

Further to our discussion over the phone, please find attached below the passport copy and letter issued from SA High commission.

It has been more than a year on this ban and I would really appreciate if you could please help and cancel the ban on Mr. Ananat Sarkaria.

Hope you would understand that it is also affecting him getting visa in other countries. I had spoken to Tony bhaiya and only on his advise I am writing to take your kind help.

Sincerely appreciate your support, thus look forward to your kind reply.

Thank you  
 with best regards

Greetings Mr Mashaba

Your comments are noted. But can you allow Mr Jeetesh to lodge the application, as that is within the ambit of the law. Mr Jeetesh is entrusted with setting up the company and we cannot make a requirement that a South African must be entrusted with that responsibility as that is not within the requirements. We can only make such a point when the company is fully functional.

 Dear Mr Kobese,

I have noted the mail addressed to you by Anel, the immigration agent. I would like to repeat on record what I informed Anel telephonically. The SA Consulate in Mumbai does not make or change rules or laws, we apply the law and the relevant policy. Like in all other missions, applicants are required to submit their applications attaching all requirements as prescribed in the regulation, read with immigration amendment act. Any application that does not meet prescribed requirements is not acceptable. Applicants who think they have been unfairly refused to submit their applications are encouraged to approach me, as the responsible person or the Head of the Mission and if he or she is still not satisfied with the explanations, approach FOC and further in terms of the organisational hierarchy.

Anel was further reminded that the mission has no legal obligation to entertain her agency responsibilities unless he or she is an applicant. The mission has an obligation to advise and provide feedback to the applicant.

My Client Persistent opened a company in May 2014

Mr. Jadhav is the Director that they would like to transfer to South Africa to set up the branch office

Mr. Jadhav had approached the SA High Commission in Mumbai and that office is refusing to accept his application because they want them to appoint a SA citizen as a Director and then they will give Mr. Jadhav a ICT permit so that he can train the person over the next 4 years

My question to you is that how do they want a company to appoint SA citizens if the company have not been set up yet because the Director cannot submit his application for an Intra Company Transfer Permit

Greetings Mr Steyn and Ansie

Trust you are well and all is going well.

Can you please assist with issuance of a 1 year multiple entry visa to this applicant : DHDE/250216/0007/01

And can you also please assist in clearing the issue of bank statements requirements. If a person is invited by the sponsor and the latter is covering all the costs, the sponsor's financial statement is sufficient as a means of proof. It is only when a person is traveling without a sponsor that his/her bank statement is required. Please accept the bank statement of SAHARA as a proof of financial means as the people who are invited by them will be covered by the company.

Regards,
