UKUCHITSHIYELWA KOMTHETHOSIVIVINYWA WOKWAMUKELWA KWEMISHADO YESINTU

[B12 -- 2019]:

Ngiyisakhamuzi esihlala kulclikheli elingenhla, nami ngicabange ukuthi kungaba kuhle ukuthi ngizwakalise uvo lwami ngokuchitshiyelwa komthethosivivinywa omayelana nokuchibiyela umthetho wokwamukelwa kwemishado yesintu, wonyaka warna 1998.Lokhu ngikufunde ephepheni Isolezwe langesonto kuLwezi 10, 2019.

Mina ngendlela engicabanga ngayo yokuthi kungakuhle ukuthi umthetho uvumele zonke izizwe ukuthi zishadiswe ngosiko lwazo zingashadi imishado emibili njengokuthi zishade umshado wesiko labamhlophe zibuye zishade owosiko lwazo wesintu.

Ngicabanga ukuthi njengoba ngobuzwe bami ngingumZulu ngishade umshado wosiko lwami lwestiZulu, zonke nezinye izizwe zishade ngokobuzwe bazo futhi indoda cyodwa ishade namakhosikazi angekho ngaphansi kwamahlanu futhi nokulobola angaloboli uma kukhona abathandanayo befuna umshado kuxoxiswane abakwamkwenyana nabakwamakoti kulungiselelwwe umshado ngoba ilobolo yilo elenza ukuthi abantu bahlale ngaphandle komshado bakipite ngoba abanazo izinkomo noma inkece yokulobola.

Umshado wesintu ngaphandle kwelobola uzosiza ekutheni kungabibikho izintombi lezi okuthiwa omakhwapheni nezingane eziyimilanjwana kuphela nezifo zocanci.Abantu besifazane kumele batshenwe iqiniso lokuthi indoda ayeneliswa unkosikazi oyedwa njengobo ngoba bona bayaneliswa indoda eyodwa futhi abesifazane babanesikhathi lapho bengayidindi khona indoda kanti indoda njalo empilweni yayo idinga umuntu wesifazane.

Umshado wesintu uma abantu bewenza ngosiko lwabo awuzukuba nezindleko cziningi.Umthetho womshado kumele uthi abashadile abawuhlukanisi umshado noma ngasiphi isizathu.Izimpahla zasemshadweni ezabo bobabili abashadile abazahlukanisi njengoba nabo basuke sebenyamanye.Ngicabanga ukuthi ngokwesintu kwensiwe njengakudala inkece ingakabibikho nezinkomo zingakandi ngoba ikhona indlela okwakwenziwa ngayo, okwake kwenziwa yikhona okumele sikwenze mayelana nomshado.

UKUCHITSHIYELWA KOMTHETHOSIVIVINYWA OBHEKELELA EZOMTHETHO [B13 - 2019]:

Umthetho womshado kumele uthi awehlukanisa umshado noma ngasiphi isizathu, abashadile bayohlukanisa ukufa kuphela.Uma ungehluhanisa umshado kusobala nokuthi izimpahla azizukwahlukanisa kuyobe lokhu kungezabo bobabili abashadile.Akekho ovunyelwe ukuthi ashushise omunye uma beshadile ngoba namadoda awasezukulobola futhi namakhosikazi azoba mahlanu endodeni cyodwa ezokwazi ukuwanelisa onke ngoba embusweni wentando yeNkosi olindelwe umhlaba wonke amadoda azothiola amandla amasha.

Kungaba kuhle nje ukuthi ingabi minigi imithetho yomshado nokwahluKanisa izingane ukuthi zizohlala nobani nokwahluKanisa impahlala. Izingane kanye nempahlala yabo abashadile kuyoba okwabo bobabili baze bahlukaniswe ukufa.

Nginesicelo sokunazisa ukuthi ngifisa ukwenza izethulo ngomlomo.

Ngiyabonga yimina indodana kaDavide ongasckho emhlabeni owayengumfowabo weNkosi yakwaButhelezi, uM.G. Buthelezi, mina nginguMali George Buthelezi omele uJesu emhlabeni ngoba ubaba uMangosuthu Gatsha Buthelezi unguNkulunkulu wesizwe samaZulu mina ngiyindodana kaNkulunkulu wamaZulu.
