Uhlaka lwezimali kanye nezincomo zezimali ezingenile

Ngiyisakhamuzi esihlala kulelikheli elingenhla kwaZulu. Ngiyalibonga ithuba esinikwa lona lokuthi sibeke uvo lwethu mayelana nohlaka lwezinkece nezincomo zezinkece, lokhu ngikufunde ephepheni Isolezwu langesonto mhlaka 16 kuNhlolanja (February) 2020.

Uvo lwami luthi kungabakuhle ukuthi siyeke ukusebenzisa inkece kungaphawulwa lutho ngayo ngoba akusiyona engumnotho futhi akuyona eyenza izinto esiphila ngazo ngoba akuncibikaliswa yona ukwenza izinto zokuphila. Mina ngiyibona isixabanisa ngoba yenza ukuthi singaphili impilo esanayo emhlabeni yenza nokuthi abanye bayebe ngoba befuna ukuphila impilo engcono kumabanye, yenza nokuthi sicindezelane. Kungabakuhle sisebenzise izindlela zakudala inkece ingakabibikho futhi ngisho nebhayibheli liyasho ukuthi "Okwake kwabakhona yikhona okuyakubakhona, nokwake kwenziwa yikho okuyakwenziwa" Yingakho-ke nami ngithi asisebenzise izindlela zakudala czazisetshenziswa zokusizana, zokushintshiselana ngezinto zokuphila singayisebenzisi inkece. Ngithi mina uma sesilungisa umhlabab manje kumele siyeke ukusebenzisa inkece.

Ngicela ukuthi izikwenedu zenkece zicishwe zonke futhi ngifisa ukuthi kwenzeke lokhu umhlabab wonke bese siqala impilo entsha sesingayisebenzisi inkece, ukuze sikhazi ukuthi siphile ngokujabula sonke emhlabeni esiphila kuwo.

Eokhu engikubhale ngenhla kuyolunga kahle-hle uma umhlabab ungabuyiselwa kubanikazi bawo ukuze bakwazi uktiphila uigomhlabab wabo bese besiza nabanye, njengokuthi izwe lakwaZulu libuyiselwe kumnikazilo uNgangezwelakhe iSilo samabandla onke uGoodwill Zwelithini Zulu ozokwazi ukuthi aphilise kahle abantu bakhe, nakwezinye izizwe kwenziwe kanjalo libuyiselwe kubabusi abangamakhosi czizwe.

Ngiyabonga yimina indodana kaDavide ongasekho emhlabeni owayengumfowabo weNkosi yakwaButhelezi, uM.G. Buthelezi, mina nginguMali George Buthelezi omele uJesu emhlabeni ngoba ubaba uMangosuthu Gatsha Buthelezi unguNkulunkulu wesizwe samaZulu mina ngiyindodana kaNkulunkulu wamaZulu.

Yimina Ozithobayo
