Petition to reopen Kokomeng Police Station

We have a right to feel safe in our community!

But there is currently no police station to service and protect twelve villages, which include Kokomeng and Molelema which are home to at least 22 742 people!

To keep us safe, Police Minister Bheki Cele needs to prioritise the reopening of Kokomeng Police Station as a permanent police station. He must ensure that the station has properly trained police officers with everything they need to police our community properly.

Sign our petition calling on Police Minister Bheki Cele to reopen Kokomeng Police Station.
