Subject: Permission to conduct remunerative work outside CGE with the University of Stellenbosch

I refer to your letter dated 29 November 2018, requesting continuation with the academic and remunerative work which includes lecturing on part-time basis at the University of Stellenbosch (USB).

A similar declaration and request was made by Ms Moleko to the Commission for the academic year 2018. Approval was granted by the former Chairperson of the Commission, Ms L. Nare. This letter further requests similar arrangement as previously made between the Commission and the part-time Employee of the University for the academic years 2019 and 2020.

For comprehensiveness, the Commission has further requested declaration on the nature and hours spent by the Commissioner doing remunerative work for the University (USB). Based on this additional information submitted including the previously agreed terms and conditions (refer, previous approval letter, dated 20 December 2017), permission is granted to continue with your academic work on a part-time basis at USB for the 2019 -2020 academic years.

I trust you find same in order.

Yours faithfully,

Commissioner Tamara Mathebula
