#### 2. Referral of matters to Subcommittee on Physical Removal of Member from Chamber

- (1) The circumstances of the physical removal of members from the Chamber during the debate and reply to Budget Vote 1 – The Presidency, which took place in the National Assembly on 9 and 10 June 2022, together with the relevant parliamentary records, have been referred to the Subcommittee on Physical Removal of Member from Chamber for consideration, in terms of Assembly Rule 73 (12).

### National Council of Provinces

#### The Chairperson

#### 1. Referral to Committees of papers tabled

- (1) The following Executive Undertakings are referred to the **Select Committee on Petitions and Executive Undertakings** for consideration and report.

1. Minister of Agriculture, Rural Development and Land Reform: During the Sittings of 18 May 2022, the Minister made the following undertakings:

- (a) *“We will soon together with the Food and Agriculture Organization, FAO, work on additional locust control measures for the next summer season.”*

- (b) *“Initiatives such as the National Red Meat Development programme that have created 27 animal feeding and conditioning facilities across five provinces will be up scaled under this masterplan.”*
- (c) *“The expansion of irrigation schemes and logistical infrastructure to produce and export high value products will also be prioritized amongst other things.”*
- (d) *“Our priorities therefore for this financial year will be the following among others: Improving our animal health system; opening new markets for our products while retaining existing markets; focus on farm and off farm infrastructure, particularly rural roads; and farmer support particularly the area of extension and advisory services; we also want to improve quality and accuracy of agricultural information and data.”*
- (e) *“In the 2022 2023 financial year, a total of 14 705 farmers will be supported with the Comprehensive Agricultural Support Programme, CASP and 36 906 with Ilima/Letsema.”*
- (f) *“Through our land care programme, we aim to address land degradation and natural agricultural resources management. This year our implementation will focus on the following five themes; VeldCare, SoilCare, WaterCare, JuniorCare and Conservation Agriculture.”*

2. Minister of Forestry, Fisheries and the Environment: During the Sittings of 19 May 2022, the Minister made the following undertakings:

- (a) *“Over the next three years we will be investing over a hundred million rand to upgrade and modernise weather systems to bring radar and hence forecasting in line with modern and very short term prediction standards.”*
- (b) *“In the coming year we will be assessing those of the remaining five provinces to update adaptation risks and vulnerabilities, and integrate climate mitigation response emissions profiles and implementation components into municipal operations.”*
- (c) *“Our own department will be allocating more resources to support this programme because the scale and extent of the debris is beyond the provincial government’s capacity.”*
- (d) *“We have further assist selected municipalities with the purchase of waste collection vehicles and what is known as yellow fleet. As a result, 24 municipalities will be given waste management vehicles valued at almost R44,5 million.”*
- (e) *“In Mpumalanga, the Mbombela and Bushbuckridge municipalities will each be provided with two compactor trucks and a skip loader,*

*while the Ba-Phalaborwa municipality in Limpopo will be supplied with two compactor trucks and a tractor loader backhoe.”*

- (f) *“Compactor trucks will also to be provided to the Collins Chabane and Masilonyana municipalities, with one already having been delivered to the Matjhabeng municipality last month.”*
  - (g) *“Skip loaders are to be delivered to the Matzikama, Merafong and Makana municipalities, and front end loaders to, amongst others, the West Rand, Dannhauser, Dawid Kruiper and Moses Kotane municipalities.”*
  - (h) *“The department will be working with other government departments, including Agriculture and Rural Development, Water and Sanitation, as well district, local municipalities, and other stakeholders, to find solutions that will safeguard the priceless heritage that we have at iSimangaliso, while supporting the livelihoods of those who live outside the park.”*
  - (i) *“The department together with a broad range of stakeholders will be developing an inclusive and holistic strategic response and action plan for the prevention and combatting of trade in illegally harvested abalone.”*
  - (j) *“An amount of R20 million has been secured from the department’s environmental programmes, and a further R20 million from the Department of Tourism, for garden development and tourism destination promotion.”*
  - (k) *“The department’s environmental programmes aim to create 62 000 work opportunities across the different “working-for” programmes and will target women, youth and persons living with disabilities.”*
  - (l) *“Through our natural resources management portfolio, across the nine provinces, teams will clear 127 00 hectares of alien invasive species for the first time. Our teams will also conduct follow-up clearing operations on 450 000 hectares of land and rehabilitate 100 wetlands.”*
  - (m) *“This year we will support the Eastern Cape Parks and Tourism Authority in the OR Tambo District Municipality with the construction and renovation of accommodation units.”*
  - (n) *“Twenty infrastructure projects are to be undertaken in support of Traditional Authorities in Limpopo, thus improving economic opportunities for emerging game farmers in the province as part of the development of the wildlife economy. Similar projects will be initiated in Ezemvelo KZN Wildlife conservation areas in the Umkhanayakude District Municipality.”*
3. Minister of Transport: During the Sittings of 19 May 2022, the Minister made the following undertakings:

- (a) *“Over the medium-term, R45,3 billion or 59,3% of the allocation to SANRAL is budgeted to upgrade, strengthen and refurbish the national non-toll roads network.”*
  - (b) *“Over this period, we have earmarked resources to finance the acquisition of a central roads data repository that will provide a comprehensive and uniform overview of the state of South Africa’s provincial roads.”*
  - (c) *“Through our collective efforts with the private sector and civil society, we will embrace creative solutions to decisively tackle potholes that have become a defining character of our secondary and tertiary road networks.”*
  - (d) *“This financial year we will reprioritise our resources to establish a Project Management Unit that will serve as an engineering and project management knowledge repository to assist provinces and municipalities in giving traction to projects funded through the conditional grants.”*
  - (e) *“Improving efficiencies at the driving license testing centres will be driven by a new service delivery model that will not only improve the experience of the motorist but will significantly reduce turnaround times.”*
  - (f) *“We will work with the cities and assist them in complying with the National Treasury requirements to get back in the fold of the Public Transport Network Grant, PTNG.”*
  - (g) *“The rollout of the IPTNs (Integrated Public Transport Networks) will equally be strengthened by the establishment of an oversight mechanism under the leadership of the Minister and the political principals of the relevant Cities implementing.”*
  - (h) *“Capital transfers to the PRASA will increase from R12,6 billion in 2022-23 to R13,5 billion in 20224-25. These funds will be channelled towards refurbishment of coaches, rolling stock fleet renewal programme, signalling and other capital projects which includes security of the rail infrastructure.”*
  - (i) *“We must also appreciate that the Langa to Bellville via Sarepta is currently affected by illegal occupation and we are dealing that, and we are looking forward to moving the occupiers very soon from the line.”*
  - (j) *“Phase 2 entails recovery of the Nyanga to Chris Hani segment as well as Nyanga to Kapteinsklip. These segments will take longer to recover due to the extent of the damage on the infrastructure. We anticipate to complete this recovery and resume services by December 2022.”*
