Dear Hon. Mapulane,

RE: ALLEGED MISREPRESENTATIONS BEFORE PORTFOLIO COMMITTEE

1. I hereby acknowledge receipt of your letter dated 6 May 2021 on the above subject.
2. A more detailed letter setting out our responses to the allegations made by Dr KM Makhubela in his letter will be sent to your good-self soon.
3. Be that as it may, we kindly request your good office to provide the Board of Brand South Africa with an opportunity to make a verbal presentation of its side of the story as stated in the penultimate paragraph of your letter. The Board would also appreciate being favoured with a Hansard record of the impugned presentation which was made by myself in Parliament in respect of this matter.
4. We thank you for your kind co-operation.

Yours sincerely,

THANDI TOBIAS-POKOLO
BOARD CHAIRPERSON
