

PRESENTATION TO PORTFOLIO COMMITTEE OF HIGHER EDUCATION AND TRAINING

Presenter: SJ Mlotshwa
President: SAPCO
Date: 01 December 2021

TABLE OF CONTENT

1. Background
2. College Readiness per Province
 - 2.1 Eastern Cape
 - 2.2 Free State
 - 2.3 Gauteng
 - 2.4 KwaZulu Natal
 - 2.5 Mpumalanga
 - 2.6 Northern Cape
 - 2.7 Limpopo
 - 2.8 North West
 - 2.9 Western Cape

1. Background

- The TVET sector is in general constrained due to the following
 - Colleges largely provide for students from poor families
 - The infrastructure structure grant is tied up in the Department
 - There is an increased demand for access in the TVET sector which is not reciprocated by increased funding
 - Lack of the appropriate funding framework for TVET colleges
- The prevailing funding pressure continue to place pressures on the personnel budget of the colleges and consequently constrains the ability of college to cater for college operations

Background

- There were notable challenges experienced due to COVID-19 in terms of college calendar, mode of learning and adjusting to COVID-19 requirements
- NSFAS management fee still posing as a challenge for effective execution of duties by Colleges
- Insufficient funding allocation, particular for financially needy and academically deserving students is a major challenge
- Delays in disbursements has also caused student unrest in most colleges

2. College Readiness

- College readiness data was gathered using the following indicators
 - **Has the College implemented a Pre Registration System**
 - **Is the college ready for walk-ins?**
 - **Are all COVID-19 regulations inplace?**
 - **Did theCollege identified academic risks?**
 - **Are timetables available?**
 - **Are Textbooks/ E-books available?**
 - **Mode of Teaching (i.e. Online, Physical or Blended)**
 - **Is the College ready to do Student Placement?**
 - **Is the College ready to do Student Induction?**

SEDIBENG TVET COLLEGE

Has the College implemented a Pre-Registration System?	Is the College ready for walk-ins?	Are all COVID-19 regulations in place?	Did the College identify academic risks?	Are timetables available?	Are Textbooks/E-books available?	Is the College ready to do Student Induction?	Mode of Teaching (i.e. Online, Physical or Blended)	Is the College ready to do Student Placement?
Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes	Yes

TSHWANE SOUTH TVET COLLEGE

Has the College implemented a Pre-Registration System?	Is the College ready for walk-ins?	Are all COVID-19 regulations in place?	Did the College identify academic risks?	Are timetables available?	Are Textbooks/E-books available?	Is the College ready to do Student Induction?	Mode of Teaching (i.e. Online, Physical or Blended)	Is the College ready to do Student Placement?
Yes	Yes	Yes	Yes	Yes	Yes (80%)	Yes	Yes	Yes

2.3 Gauteng continues

TSHWANE NORTH TVET COLLEGE

Has the College implemented a Pre-Registration System?	Is the College ready for walk-ins?	Are all COVID-19 regulations in place?	Did the College identify academic risks?	Are timetables available?	Are Textbooks/ E-books available?	Is the College ready to do Student Induction?	Mode of Teaching (i.e. Online, Physical or Blended)	Is the College ready to do Student Placement?
Yes, the college has implemented application process. Applications are screened and selection is in process	Yes, the management plan made provision for walk-ins, however COVID-19 regulations must be adhered to	Yes	Yes	Yes	Awaiting delivery	Yes	Physical	Yes

2.3 Gauteng continues

SOUTH WEST GAUTENG TVET COLLEGE

Has the College implemented a Pre-Registration System?	Is the College ready for walk-ins?	Are all COVID-19 regulations in place?	Did the College identify academic risks?	Are timetables available?	Are Textbooks/ E-books available?	Is the College ready to do Student Induction?	Mode of Teaching (i.e. Online, Physical or Blended)	Is the College ready to do Student Placement?
<p>No, the College has not yet implemented a pre-registration system, but we have implemented a on-line application system.</p> <p>Once the student has applied, his/her application goes to a relevant selection committee for consideration.</p> <p>If the application is approved, the student is invited to come and sit for a CAP test, after which he/she is informed of the date of registration for the specific programme, which is normally during the January of the academic year in which the student wishes to study (January 2022)</p>	<p>The College still does both forms of applications and registrations, i.e. on-line and walk-ins, and the campuses are therefore ready to accept walk-ins during the registration process of 2022.</p> <p>The plan to accommodate the walk-ins in 2022 is in place and it is integrated in the student enrolment management plan. It includes applications, sifting, feedback, writing of Captest and followed by registration.</p>	<p>The College has a COVID-19-19 Command Team at central office and all college sites their own campus COVID-19-19 Command Team</p> <p>All College sites/campus are resourced with COVID-19-19 brigade trained by Higher Health and duty is to ensure that all COVID-19-19 all students, staff and visitors are screened, take temperature and sanitizing. COVID-19-19 brigade are also task to enforce social distance during registration.</p>	<p>Adjustment of higher Alert Level to 5 resulting in total College closure.</p> <p>The College does not have budget/funds to provide all students with data for Online Learning. Not all students have laptop whether NSFAS beneficiary or not, therefor only students who provided with laptops will be able to virtual classes as all lecturers are trained how to use ZOOM, Microsoft Teams</p> <p>All staff and lecturing staff are provided with laptops and data.</p> <p>The has developed Business Continuity Plan which be used to guide the college to switch from face-to-face class attendance to platoon class attendance, remote learning and blended learning.</p>	<p>Yes, provisional timetables are ready for both NCV and Rep 191, considering that groups might change due to projected pass rates of students</p> <p>AND actual student's enrolment.</p> <p>Time-tables will be finalised in January upon taking into account pass rate, actual enrolment and the current Trimester which ends in the 1st quarter of the 2022 academic year.</p>	<p>50% of textbooks ordered in September have been received and we are continually receiving almost every day.</p> <p>All other LTSM such as ISAT materials for student's practical, assistive devices such as tape recorders, magnifiers, Brail, Jaws, etc, for students with learning barriers.</p> <p>It should be noted that the college procure all Learning and Teaching Support Materials prior the start of new academic year.</p>	<p>As per the College Registration Standard Operating Procedure all new students are inducted at the completion of their registration before they start to attendance classes.</p>	<p>All campuses are ready for physical and blended learning mode of teaching and learning delivery.</p> <p>All College campuses are equipped with 200mbps WI-FI connectivity.</p> <p>Online for Distance learning and blended will be introduced from June 2022</p>	<p>The college has established a designated unit and primary function is establish relationship with SETAs and host employers in the country.</p> <p>The College has signed MOU/MOA with most SETAs and host employers for the purpose of students and lecturer's placement</p> <p>Students industry place serves two purposes, first, experiential learning, secondly for the attainment of their qualification and finally Learnership.</p>

2.4 College Readiness: KwaZulu Natal

MTHASHANA TVET COLLEGE

Has the College implemented a Pre-Registration System?	Is the College ready for walk-ins?	Are all COVID-19 regulations in place?	Did the College identify academic risks?	Are timetables available?	Are Textbooks/ E-books available?	Is the College ready to do Student Induction?	Mode of Teaching (i.e. Online, Physical or Blended)	Is the College ready to do Student Placement?
Yes	Yes	Yes	Yes	Half-done timetables are available	Yes	Yes	Blended	Yes

UMGUNGUNDLOVU TVET COLLEGE

Has the College implemented a Pre-Registration System?	Is the College ready for walk-ins?	Are all COVID-19 regulations in place?	Did the College identify academic risks?	Are timetables available?	Are Textbooks/ E-books available?	Is the College ready to do Student Induction?	Mode of Teaching (i.e. Online, Physical or Blended)	Is the College ready to do Student Placement?
<p>Yes There are 2 stages:</p> <p>1. On-line applications.</p> <p>a. NCV 2022 and Business studies (full-time) for S1 2022: 1 – 22 November 2021 Placement tests: 29 Nov – 3 December. Campuses close on 8 December</p> <p>b. Part-</p>	<p>Yes. The only Walk in students will be all those who have not passed the full programme</p> <p>a. New students will be managed by on Line Pre-registration.</p> <p>b. Returning progressing students will be rolled over on the Coltech online system and will verify the registration online.</p>	<p>Yes. Posters, wearing of Masks, Sanitization and social distancing. Screeners on all campuses.</p>	<p>Yes. Possible risks have been identified and plans to mitigate this are in place.</p>	<p>Yes. Draft timetables are ready and will be finalised next year and placed in Coltech.</p>	<p>Yes Requisitions have be written out and delivery will take place in January 2022.</p>	<p>Yes.</p>	<p>Blended approach will be used.</p>	<p>Yes. The college has a dedicated unit with staff members to perform this function.</p>

2.5 College Readiness: Mpumalanga

GERT SIBANDE TVET COLLEGE								
Has the College implemented a Pre-Registration System?	Is the College ready for walk-ins?	Are all COVID-19 regulations in place?	Did the College identify academic risks?	Are timetables available?	Are Textbooks/E-books available?	Is the College ready to do Student Induction?	Mode of Teaching (i.e. Online, Physical or Blended)	Is the College ready to do Student Placement?
Yes, College has pre-registered students	Not recommended as applications and pre-registered are more than the projections. But ready for walk-ins as matric results will determine who to register	Yes, they are in place and enough stock is available for 2022, the college will have the last COVID-19. Task Team meeting to conclude the resources to be added/top-ups for 2022 (all campus represented). During registrations the compliance unit will monitor campuses to ensure that college complies	Yes – adjusted lockdown levels will impact teaching and learning. The elections of student leadership might delay and this leads to disruptions in our core business which is teaching and learning (an online election platform can be an option provided the student leadership agree. Assessments and exams are compromised if lockdown levels are adjusted. Digital learning devices were not provided to all students and the college do not have funds to assist the missing middle and student enrolled for 1 or 2 subjects	Time-tables to be completed on the 20 th of November 2021	Students returned textbooks and additional textbooks procured and will be available before the 14 th of January 2022	Induction and orientation programmes are aligned to student registration dates. Students will be divided in smaller groups in order to comply with COVID-19 regulations and all protocols (to reduce the spread of the virus)	Blended	Yes. Placement tests is continuous and results ready for the qualifying students to be registered in 2022. The admission policy is ready

2.6 College Readiness: Northern Cape

NORTHERN CAPE URBAN TVET COLLEGE

Has the college implemented a pre-registration System	Is the college ready for walk-ins?	Are all COVID-19 regulations in place?	Did the college identified academic risks?	Are timetables available?	Are textbooks/E-books available?	Is the college ready to do student induction?	Mode of teaching (i.e., Online, Physical or Blended)	Is the college ready to do student placement?
Yes, online registration	Yes, but discourages it	Yes	Yes	Yes, tentative	Book orders have been placed	Yes	Physical	Yes

2.7 College Readiness: Limpopo

LEPHALALE TVET COLLEGE

Has the college implemented a pre-registration System	Is the college ready for walk-ins?	Are all COVID-19 regulations in place?	Did the college identified academic risks?	Are timetables available?	Are textbooks/E-books available?	Is the college ready to do student induction?	Mode of teaching (i.e., Online, Physical or Blended)	Is the college ready to do student placement?
Yes, Online applications were opened from 01-30 September 2021, we did not extend because a high number of applications were received. Returning students have completed re-admission application forms in person - they also had an option to submit them by e-mail. Re-admission took place from 01 October – 19 November 2021. NCV was extended to 24 November 2021 following the request from SRC Office.	Yes, We have allocated 3 days to walk-in management and we'll be posting available spaces on social media and displaying them outside the gate so that walk-ins can see the courses that still have spaces.	Yes, COVID-19 screening is done for every individual entering the gate and the COVID-19 awareness posters and markings are in place throughout the premises to encourage wearing of masks and social distancing.	COVID-19 remains one of biggest threats to our academic programme because the class sizes are reduced to almost half and teaching and learning process slows up. When lecturers test positive and are isolated, this also affects our efforts to ensure continuous teaching and learning.	Yes, they have been discussed with the HODs. The timetables were finalised for 2022, and class allocations have been completed.	Not yet, procurement processes are underway. The finance section is on the final stages of purchasing textbooks. They will be delivered before commencement of classes.	Yes, a plan and programme of action for 2022 are in place and has been presented to the Deputy Principal for approval.	We only have contact classes. The college is working on the LMS to provide other modalities of teaching and learning.	Yes, we have commenced with this operation for 2022 academic year to avoid walk-ins in 2022 and the operation is satisfactory so far.

2.7 Limpopo continues

MOPANI TVET COLLEGE

Has the college implemented a pre-registration System	Is the college ready for walk-ins?	Are all COVID-19 regulations in place?	Did the college identified academic risks?	Are timetables available? Academic support budget has been allocated. Academic support plan process for 2022 have been drafted	Yes, drafted by each campus. Staff allocations for each campus have been completed	Textbooks have been ordered for all NCV, Semester and Trimester students E-books ordered for N4 semester students and for staff	Student induction programmes developed	Face to face teaching will take place combined with blended learning. LMS (Moodle) will be incorporated in daily teaching and learning	Yes as well as for Lecturer LWE

CONCLUSION: COLLEGE READINESS FOR 2022

- SAPCO has since done the following to ensure readiness to 2022
 - Conducted fruitful discussions with NSFAS and DHET and strides were made. NSFAS will pay **project management** fee to colleges to administer student allowances
 - Participated in the review of bursary rules and guidelines
 - Colleges are now discouraging walk-ins and implementing early registrations in the prior year

Recommendations

- Communication between NSFAS and TVET's need to be improved
- NSFAS to assign a delegated persons to work with each TVET college or pay colleges the management fees
- Most importantly, NSFAS must pay the agreed management fees so that colleges are able to capacitate their bursary offices
- SAPCO to maximise its digitalization drive

Thank you
