REPLY:

In 2020 the Department commissioned a Feasibility Study towards the development of the South African Monumental Flag. The Feasibility Study indicated that the South African Monumental Flag Project is feasible. The Feasibility Study Report was presented and approved by the Technical Working Group on 17 August 2021 and by the Social Protection, Community and Human Development (SPCHD) Cluster on 8 September 2021. The Feasibility Study Report was further presented to Cabinet on 10 February 2022 where it received favourable considerations. The Cabinet Committee approved the implementation of the Feasibility Study Report on the SA National Monumental Flag Project.

When the news of this project broke in May 2022, it attracted negative feedback. There was a general misunderstanding of this project, which resulted in the President of the Republic advising that it should be discontinued. Since then, all operational activities

towards the development of the Monumental Flag Project following the Presidential pronouncement were stopped. Therefore, there was no commissioning by the Minister of Sport, Arts and Culture of a flag at an estimated cost of R22 million.
