- (a) **Non-allocation on Provincial Roads Maintenance Grants to address the poor conditions of the roads in the Free State Province:** The Committee expressed its dissatisfaction and dismay for not being allocated any funding for the maintenance of the poor roads infrastructure in the province.
- (b) **Increase on allocation per household in poor and rural municipalities:** - The Committee appreciates and welcome the increased allocation per household in rural and impoverished municipalities.
- (c) **More allocation for Free State Province:-** The Committee is of the view that based on the ruralness of the Province and lack of basic infrastructure, due to these anomalies, the allocation to the Free State must be revisited and be sufficiently allocated.
