SECTION 194 INQUIRY**

1. Your letter dated 04 June 2023 refers. We acknowledge receipt of this letter for which we thank you.
2. It is with sadness that we have to inform you that our Mr Chaane to whom your letter was correctly addressed to took seriously ill from yesterday evening and was unfortunately admitted to the ~~_____~~ this morning.
3. As you are aware and given the delicate stage and circumstances of this matter, Mr Chaane was giving it his personal and special attention. All formal and informal interactions with all the role-players, including the Committee Chairperson, were accordingly being handled by him personally.
4. In the particular circumstances, it will therefore not be possible for any other person to respond meaningfully to your detailed letter at this stage. Moreso, given some of the accusations levelled at how he has been handling the matter.
