Dear Chairperson,

**RE: THE PUBLIC PROTECTOR SOUTH AFRICA (ADVOCATE BUSISIWE MKHWEBANE)  
SECTION 194 INQUIRY**

1. We thank you for your letter received this afternoon.
2. Our letter principally and in the chiefly refers to the “summation” which was considered by the Committee over the past weekend and not so much the so-called “draft report”.
3. As per your own proposal the familiarisation process was mainly being conducted using both electronic and physical documentation which was already in the possession of our erstwhile counsel. In any event there is no longer any need for us to have access to the record in any format. So kindly proceed with the proposed cancelling of such access. We will also proceed to return any documents given to us by counsel and/or the client.
4. Be so advised.
