Dear Sir

**UPDATE ON THE WORK OF THE SECTION 194 COMMITTEE**

I write to update you as follows.

On Friday 28 July 2023, the matter of the Chairperson's recusal served before the Committee. The Committee has taken a decision not to remove Mr Dyantyi, MP as the Chairperson of the Committee after having duly considered his written response to the recusal application.

Further, following the submission of the summation (a copy of which was provided to you and which is also available on Dropbox), the Committee conducted its deliberations on 28 and 30 July 2023 respectively and has given further instructions in respect of the draft report. The Committee expects the draft report to be tabled for adoption and consideration next week. Following adoption thereof it will be shared with your client to allow her to make comments thereon before being adopted as a final report for tabling in the National Assembly.

I advise accordingly.

Yours faithfully.

Mr TK Ngoma
