Dear Sir

**RE: WITHDRAWAL OF HM CHAANE ATTORNEYS FROM THE SECTION 194
ENQUIRY PROCESS**

The content of your letter dated 3 August 2023 is noted. I will ensure that members are informed of your withdrawal as attorneys on record in the s194 Enquiry.

However, I thought it necessary to confirm that as per my previous correspondence dated 31 July 2023, there is no draft report that has been tabled. The deliberations that occurred will inform the draft report currently being prepared. The tabling of the draft report will be done next week as I had mentioned and the draft as adopted will be shared with your client for comment.

Also, I note that aside from uploading the recordings on the Dropbox (which you required technical assistance with as nothing had been loaded prior thereto or opened), Chaane Attorneys does not appear to have utilised this repository. I therefore trust that I can arrange for the removal of your staff with immediate effect and that you do not need to upload or delete anything at this stage. As such if I do not hear from you in this regard by close of business today, I will arrange for access to be cancelled.

Yours faithfully

Mr QR Dyantyi, MP
