Subject: RE: Cloghrene

Dear Colleagues

Please advise of any legal impediments if any. If not the P&VC must take occupation of the residence as per her contract with the University.

Best regards

Good evening VC,

I will engage the colleagues in SCM to understand any SCM challenges relating to this and advise.

Regards,

Mr. KM Ramukumba

Vice Principal: Finance, Supply Chain Management and Business Enterprises (Chief Financial Officer)

Subject: Cloghrene

Importance: High

Dear Prof. Mothata and Mr Ramukumba,

Greetings. I hope you are keeping well. Kindly hand me the keys for Cloghrene on September 15th, 2021 at 0800 in my office. Can I also have a debrief on what has not been completed and the implementation plans to complete what is outstanding. I do not care whether the house is complete or not. I find it despicable that I have had to wait for almost a year for the house to be completed despite promises that it would have been completed by May 2021. Ramukumba, kindly ensure that SCM prioritises the completion of work that has to be undertaken for the house and the office. Kindly advise prof. Mothata and your team?

Best regards,
Puleng
