## **THE PUBLIC ADMINISTRATION MANAGEMENT AMENDMENT BILL [ B 10—2023]**

### **Introduction**

The Bill was introduced in the National Assembly as a proposed section 76 Bill, and a Bill falling within the ambit of section 39(1)(a) of the Traditional and Khoi-Sal Leadership Act, 2019, (Act No. 3 of 2019), since it pertains to matters referred to in section 154(2) of the Constitution.

The National House of Traditional and Khoi-San Leaders, a statutory body, established in terms of the Traditional and Khoi-San Leadership Act, 2019, (Act No. 3 of 2019). The role of the House is amongst others to promote the role of traditional leadership within a democratic constitutional dispensation, to deal with matters relating to traditional leadership, the role of traditional leaders, customary law and customs of communities observing a system of customary law.

The National House of Traditional and Khoi-San Leaders acknowledge the fact the Bill was referred to it for comments. We therefore wish to indicate that the House does not have comments on the Public Administration Management Amendment Bill as it promotes principles governing public administration and does not seem to affect the Institution of Traditional Leadership.

Kind Regards
