DATE OF DELIBERATION: 12 April 2024

VOTE OF THE LEGISLATURE: The Limpopo Provincial Legislature hereby confers to its NCOP permanent delegate a Negotiating Mandate to vote in favour of the Bill, subject to the following proposed amendments:

1. Clause 7

The requirement of “regional diversity” relating to the composition of the board in the Main Act should be retained in addition to the new requirement of “reflection of broad South African society” as provided in clause 7 (2) (a).

2. Clause 10

Member (s) of the National and Provincial Houses, designated by the Chairperson must be included in the board as *ex officio* members, instead of being part of the selection panel.

3. Clause 33: Delimitation of wards

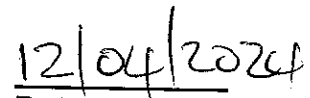

The areas of jurisdiction of municipal councils must be taken into account when delimiting or demarcating wards to avoid overlap of wards into different jurisdiction of traditional councils.

4. Clause 43 (1): Appeal

The phrase 'any person' in clause 43 (1) must be construed to include not only individuals, but a group of individual or associations who can exercise the right appeal on behalf of an individual or group of individuals or associations.
