AMENDMENT BILL

NUMBER OF BILL: B23B – 2023

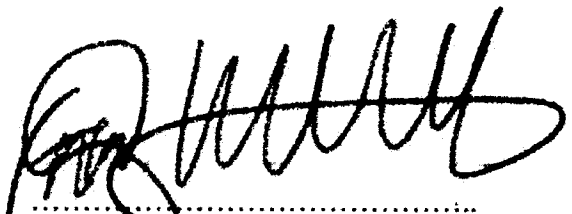

DATE OF DELIBERATION: 30 APRIL 2024

VOTE OF THE LEGISLATURE:

The Premiers Portfolio Committee met on Tuesday, the 30th of April 2024 and agreed to mandate the KwaZulu-Natal delegation to **support** the Electricity Regulation Amendment Bill [B23B-2023] with the following proposed amendments:

- a) There needs to be a link between the Second-Hand Goods Act, 2009 in relation to illegal sale of electricity infrastructure to second hand goods dealers/scrapyards and pawn brokers.
- b) There is a proposed amendment to Clause 35B to make it an offence to illegally connect electricity to household as a subclause in 35B(1) as it currently does not specifically cover this offence and possibly have it left to municipal bylaws.
