Reference letter for Joyce Phiri

It is with great pleasure and confidence that I provide a Character Reference for Joyce Phiri, to serve on the Gender Commission.

I have had the privilege of knowing Joyce Phiri for 8 years as a member of the National Executive Committee of DeafSA and I believe that she has everything it takes to be a successful member of the Commission.

The years I have known Joyce Phiri, I found her to be exceptionally professional in all that she does. She is an excellent communicator and is known for being someone who can be counted on to get to the root of issues, offering up real solutions. She has given back to the community as a volunteer for a number of good causes over the years.

In addition, she has successfully served on various committees and campaigns, such as DeafSA National Executive committee, National Chairperson for Deaf Women, is serving on the Presidential Working Group on Persons with disabilities.

That, combined with the fact that she already possesses the type of experience that is required for a position of this nature, makes her a good fit for your organization. I believe that Joyce Phiri would serve your organization well, sitting as a Commissioner, She would bring with her, enthusiasm, knowledge, professionalism, sincerity, and integrity.

Please do not hesitate to be in touch if you have any further questions.

Yours sincerely

Bruno Druchen
