PROFESSIONAL AND EMPLOYMENT DUTIES

An educator at **Elukhanyisweni High School** and **Ekwazini High School** 1993-2005

Specialising in the following areas:

- Human and Social Sciences
- Guidance and counselling
- Language Studies
- Girls and Boys Education Movement

A transformation manager **Department of Education** (2005-2007) and manager gender specialist for the Mpumalanga Provincial Government attached to the **Office of the Premier**, Office on the Status of Women (2007 to date).

As a transformation manager in the **Department of Education** working closely with Circuit Offices in the region. Tasked with the responsibility of gender mainstreaming and transformation matters, responsible for Public Service Transformation and the implementation of the White Paper on the transformation of the Public Service and its related policies and legislations. The first transformation manager for the District Office and was responsible for the initiation and development of systems, procedures, structures and the transformation plan of the District. Part of the duties involved team management and coaching.

As part of empowerment and development, Boys and Girls Education movements with more emphasis on the girl child were developed. This was a viable and practical strategy to nurture and empower boys and girls. Planning for a lifetime requires the empowerment of the girl child and subsequently this will lead to women empowerment.

A gender specialist for the **Office of the Premier** Mpumalanga Provincial Government working closely with the Provincial Legislature, National Departments in the province, Provincial Departments, District and Local Municipalities, Civil Society Organisations and Independent Bodies. My key performance areas are:

- To integrate the plans of the Province
- Development of discussion documents and strategic input papers
- Coordinate Performance Monitoring and Evaluation
- Coordinate Government Policies and Programmes
- Stakeholder Coordination and Management
- Advocacy and Gender Mainstreaming
- Policy Analysis
- Research
- Strategic Planning
- Capacity Building

A specialist on gender mainstreaming, gender and sustainable development, gender equity and gender equality. Vocal and articulates on issues of gender and Human rights and has been part of the Presidency and Women Ministry delegation to the United Nations Commission on the Status of Women.
