INTERNAL QUESTION PAPER NO. 22 of 2022

DATE OF PUBLICATION: 03 June 2022

Mr D W Bryant (DA) to ask the Minister of Forestry, Fisheries and the Environment:

Where will the animals be sourced from to supply the 12 abattoirs that have been opened as referred to by the SA National Parks?

2169. THE MINISTER OF FORESTRY, FISHERIES AND THE ENVIRONMENT REPLIES:

SANParks only has one abattoir located in the Kruger National Park and has not opened 12 new abattoirs. There are no plans by the organisation to open or establish new abattoirs in other national parks.
