**KWAZULU - NATAL**

	(3) What (a) total number of land claims are currently instituted against land of the SA Forestry Company SOC Limited (SAFCOL),	(b) is the status of each specified land claim and	(c)(i) total number of claims have been settled and (ii) is hampering the settling of the land claims;	(2) whether any title deeds have been handed over to the local folk in terms of the process; if not, why not; if so, what are the relevant details.	(3) what role has the Department of Rural Development and Land Reform played in order to deal with the land claims relating to SAFCOL?
	1. Mbonambi Community Claim	Settled and Transferred	1 Settled	Yes	The Dept negotiated that claimants will get rentals. SAFCOL is not opposed to the immediate transfer of the 10% and 6% to whoever that Government would identify as beneficiaries of such share allocations. SAFCOL has ring-fenced the dividends received from SQF for the 16% shareholding and the equivalent value will be transferred with these shares. Claimants will see the lease through but will acquire more shares in order to be able to take over.
	2. Mkhwanazi Community claim	Settled and Transferred	1 Settled	Yes	The Dept. negotiated that claimants will get rentals. SAFCOL is not opposed to the immediate transfer of the 10% and 6% to whoever that Government would identify as beneficiaries of such share allocations. SAFCOL has ring-fenced the dividends received from SQF for the 16% shareholding and the equivalent value will be transferred with these shares. Claimants will see the lease through but will acquire more shares in order to be able to take over.

	(3) What (a) total number of land claims are currently instituted against land of the SA Forestry Company SOC Limited (SAFCOL),	(b) is the status of each specified land claim and	(c)(i) total number of claims have been settled and (ii) is hampering the settling of the land claims;	(2) whether any title deeds have been handed over to the local folk in terms of the process; if not, why not; if so, what are the relevant details.	(3) what role has the Department of Rural Development and Land Reform played in order to deal with the land claims relating to SAFCOL?
	3. Western Shores Community	Settled not Transferred	Claim is under surveying	Not yet as the approved properties are the subject of surveying	The Dept. negotiated that claimants will get rentals. SAFCOL is not opposed to the immediate transfer of the 10% and 6% to whoever that Government would identify as beneficiaries of such share allocations. SAFCOL has ring-fenced the dividends received from SQF for the 16% shareholding and the equivalent value will be transferred with these shares. Claimants will see the lease through but will acquire more shares in order to be able to take over.
	4. Dukuduku Community	Finalization of verification and for claimants to indicate their settlement option	The delay is about the extent of the land that was lost and the number of households that were affected by the dispossession.	Not yet settled, the Commission is dealing with the finalisation of verification and options.	The Dept. negotiated that claimants will get rentals. SAFCOL is not opposed to the immediate transfer of the 10% and 6% to whoever that Government would identify as beneficiaries of such share allocations. SAFCOL has ring-fenced the dividends received from SQF for the 16% shareholding and the equivalent value will be transferred with these shares. Claimants will see the lease through but will acquire more shares in order to be able to take over.
