

Tshikombani Primary School

The Department is aware of the incident of the burnt admin block at Tshikombani Primary School. Upon receiving the report from the school, Inspectors were dispatched to conduct a thorough assessment. Preliminary assessment indicates that the building might be unsalvageable. The Department has taken a decision to provide the school with a Mobile Administration facility. The process for procurement of the mobile unit is in progress. The delivery of the unit to the school is expected to take place in January 2022.
