REPLY

- (a) A list is attached hereto marked "Annexure A", which contains the names of households against whom the social housing institution obtained court orders for evictions due to none payment of rental. These households have been identified in conjunction with the provincial department and City of Cape Town, to be investigated and analysed against relevant databases to ascertain where or not they can be assisted with alternative accommodation and or relocation into fully subsidised units.
- (b) The households as per "Annexure A" form part of the initial group against whom eviction orders where obtained and alternative accommodation will be provided subject to the following:
- b.1 the households must meet the qualifying criteria for allocation into fully subsidised housing
- c) The provincial department is currently processing the applications and has identified possible areas of relocation should the households qualify. All households who earn in excess of R3 500 per month will be processed in terms of the finance link individual subsidy programme.
