(2)(a)(b) No, there were no deviations. Procurement actions were concluded by utilising the National Treasury instructions, numbers 8 of 2019/2020, 3 of

2020/2021 and 5 of 2020/2021, read together with the National Treasury Instruction 3 of 2016/17, paragraph 8.1 and 8.2, which authorises the accounting officer to deviate from competitive bids, in cases of emergency.

The State President of the Republic of South Africa declared the COVID-19 epidemic as a National Disaster, on 15 March 2020 and, therefore, the emergency procurement was justified.

- (3) Quotations were sourced to address the SAPS's urgent and specific requirements. Where multiple quotations could be obtained, the awards were made, in terms of the Preferential Procurement Policy Framework Act (PPPFA) Regulations, as prescribed by the National Treasury. For the other requirements, awards were made to suppliers who had stock available.
- (4) The Minister will decide whether he will make a statement, in this regard.
