The following amendments were proposed and considered on the Bill:

PROPOSED AMENDMENTS

DEFINITIONS

'package insert' must be defined and provided for in the Bill

Reason for the proposal

- It will prevent piracy and protect the industry
- It will force the tobacco product user to read about the dangers of tobacco
- The tobacco product's ingredients must be clearly stated, its quantities and its dangers must be stated in the package insert

To amend section 3(3) by inserting the following:

"a manufacturer or importer of a tobacco product may make a charitable financial contribution or sponsorship, provided that such contribution or sponsorship is not for the purpose of advertisement and does not have the effect, or likely effect of promoting a tobacco product or tobacco use."

The Committee unanimously agreed to mandate the KwaZulu-Natal delegation to the National Council of Provinces to support the Bill provided that the above comments and proposed amendments are considered and consolidated in the Bill.
