Portfolio Committee on  
Justice and Constitutional Development

Dear Sir,

Re: Public hearing on the Constitutional Sixteenth Amendment  
Bill (B1-2009)

By digging history from the roots merely as means  
to promote order to all African Nations we would like  
to contribute the following to the Bill:-

The three revolutionary manifestos which are

1. The knowledge of our Nobility or origin as Africans
2. The freedom of African men is in the consciousness  
of the mind.
3. Knowledge of African captivity will take us out of bondage to life.

The outcome of geographic analysis symbolically benefit the  
youth, ill, weak and the poor and can be used to  
eradicate poverty and fight HIV and Aids including cholera.

The Gauteng and Northwest map structures historically mean  
original eye of the world and are made to amend the  
constitution to suit all provinces starting from evidence  
of proof of the community profiles which will give a way forward.

Thanking you in anticipation. Written submission

Yours Faithfully
