NEGOTIATING MANDATE - INPUTS BY THE COMMITTEE

DIVISION OF REVENUE BILL [B4-2010]

The aim of the Bill is to provide for the equitable division of revenue raised nationally among the national, provincial and local spheres government for the 2010/11 financial year and the responsibilities of all three spheres pursuant to such division; and to provide for matters connected therewith.

On 9 March 2010 Hon de Beer briefed the Committee on Finance on the said Bill.

On 11 March 2010 the Committee sat to consider the Bill, and expressed its satisfaction on the division of revenue to the Province.

From the briefing and consideration the following were raised:

- An absence of an allocation for the MIG for the province;
- The appalling state of our provincial roads which need serious attention;
- The insufficient and small budget allocation to the Province which sometimes compromises service delivery.
