Dear Chairperson

RE: COPY OF ETV SUBMISSION TO DEPARTMENT OF COMMUNICATIONS ON CHANGE OF STANDARD

Ahead of the committee's Special Information and Briefing Session on Digital Migration Policy and Implementation Strategy on 1 June, we attach a copy of the submission made by e.tv on the possible change of standard for digital terrestrial television, made to the Department of Communications on 7 May 2010. We believe the concerns raised in our submission are pertinent for the committee to consider during its discussions on 1 June. We also attach two short documents outlining the key timelines and issues for consideration.

Yours sincerely
