

Committee meeting - 24/08/2011

S van der Merwe

- o 12 issues that will have to come back to Committee for decisions
- o Take 12 issues and continue with the Bill from page 40 and see whether there are no further matters for referral. But should not deliberate on these as we are awaiting further inputs from experts.
- o The issues are:
  - 1 o Expanding preamble to discuss sui generis approach
  - 2 o !K is stand alone and will not affect IP law
  - 3 o Copyright versus performers' rights act does this need to be amended
  - 4 o Terminology on hereditary and derivative
  - 5 o Right in perpetuity
  - 6 o Defensive enforcement
  - 7 o Database
  - 8 o Community forming a Trust and setting up a protocol
  - 9 o Royalties and how this will work
  - 10 o Trust
  - 11 o How do we oversee the sustainability of the Trust
  - 12 o Alternative dispute mechanism and how this will work

Harris

- 13 o Proposed addition – how do we define a community?
- 14 o Contradiction in Designs Act
