

Government Gazette

REPUBLIC OF SOUTH AFRICA

Vol. 432 Cape Town 29 June 2001 No. 22422

THE PRESIDENCY

No. 592 29 June 2001

It is hereby notified that the President has assented to the following Act, which is hereby published for general information:—

No. 8 of 2001: South African Weather Service Act, 2001

AIDS HELPLINE: 0800-123-22 Prevention is the cure

(English text signed by the President.)
(Assented to 22 June 2001.)

ACT

To establish a juristic person to be known as the South African Weather Service; to determine its objects, functions and method of work; to prescribe the manner in which it is to be managed and governed; to regulate its staff matters and financial affairs; and to provide for matters connected therewith.

BE IT ENACTED by the Parliament of the Republic of South Africa, as follows:—

Definitions

- 1. In this Act, unless the context indicates otherwise—
 - (i) “**advisory services**” means any climatological advice, and includes advice on weather outlooks, weather forecasts and weather warnings;

- (ii) "**Board**" means the Board contemplated in section 5;
- (iii) "**Chief Directorate**" means the Chief Directorate: Weather Bureau as a division of the Department as it existed immediately before the commencement of this Act;
- (iv) "**Chief Executive Officer**" means the Chief Executive Officer appointed in terms of section 13(1) and includes the interim Chief Executive Officer contemplated in section 18(6); 5
- (v) "**commercial services**" means services specified in Schedule 2;
- (vi) "**Committee**" means any committee established under section 11;
- (vii) "**Department**" means the department responsible for the administration of this Act; 10
- (viii) "**financial year**" means a period which commences on 1 April in one year and ends on 31 March in the following year;
- (ix) "**meteorological service**" means—
 - (a) the collection, processing and provision of meteorological and climatological information, data and advisory services; 15
 - (b) the maintenance and development of weather-related instruments and computer programs;
 - (c) research with the aim—
 - (i) of improving products and the delivery of services; and 20
 - (ii) of reducing the impact of weather-related natural disasters; and
 - (d) the provision of meteorologically-related training in partnership with higher education institutions;
- (x) "**Minister**" means the Minister responsible for the administration of this Act;
- (xi) "**public good services**" means services specified in Schedule 1; 25
- (xii) "**Regulating Committee**" means the Regulating Committee contemplated in section 20;
- (xiii) "**regulations**" means regulations made under section 28;
- (xiv) "**specialised service**" means a meteorological service provided to an identifiable client or customer who will use the service for economic gain or benefit; 30
- (xv) "**Weather Service**" means the South African Weather Service established by section 2;
- (xvi) "**this Act**" includes the regulations.

CHAPTER 2

35

SOUTH AFRICAN WEATHER SERVICE

Establishment of South African Weather Service

2. (1) There is hereby established a juristic person known as the South African Weather Service.

(2) The Weather Service acts through the Board. 40

Objectives of Weather Service

3. The objectives of the Weather Service are—
- (a) to maintain, extend and improve the quality of meteorological service for the benefit of all South Africans;
 - (b) to provide public good services and commercial services to all South Africans; 45
 - (c) to ensure the ongoing collection of meteorological data over South Africa and surrounding southern oceans for the use by current and future generations;
 - (d) to be the long-term custodian of a reliable national climatological record;
 - (e) as the national meteorological service of the Republic of South Africa, to fulfil the international obligations of the Government under the Convention of the World Meteorological Organization; 50
 - (f) as the Aviation Meteorological Authority, to fulfil the international obligations of the Government under the Convention of the International Civil Aviation Organization;

- (g) to provide services that are sensitive to the demographic realities of the country; and
- (h) to fulfil such other weather-related international obligations as the Minister may direct.

Functions of Weather Service

5

4. (1) The Weather Service must—
- (a) provide such meteorological services, including public good services and commercial services, as are necessary to achieve its objectives, provided that it is in the interests of the Weather Service and the State;
 - (b) adhere to the intent of Resolution 40 of the Twelfth Congress of the World Meteorological Organization, and any other related resolutions regarding the internationally free and unrestricted exchange of meteorologically-related data and products; and
 - (c) perform any other function assigned to it by the Minister.
- (2) The Weather Service may, in order to achieve its objectives—
- (a) co-operate or enter into agreements or contracts with any person, institution, government or administration;
 - (b) purchase or otherwise acquire, possess, hire, pledge, sell or let property;
 - (c) with the approval of the Minister, granted with the concurrence of the Minister of Finance, raise money by way of loans from any lawful source, on such terms and conditions and against such security as may be agreed upon;
 - (d) with the approval of the Minister, establish or assist in establishing companies for the promotion of meteorological services or any related business purpose;
 - (e) charge fees for the provision of any commercial services;
 - (f) enter into an agreement with any other weather service to deliver services or be of assistance with the delivery of services outside the borders of South Africa; and
 - (g) enter into agreements with State departments for the delivery of services considered to be within the capacity of the Weather Service. These contract services are not deemed part of the public good services.
- (3) Only the Weather Service may issue severe weather-related warnings over South Africa in order to ensure that there is a single authoritative voice in this regard.
- (4) The Weather Service must take reasonable steps to develop skills and capacity of the Weather Service so as to enable it to provide for the needs of disadvantaged communities.

CHAPTER 3

BOARD OF WEATHER SERVICE

Board of Weather Service and its composition

5. (1) The Board of the Weather Service consists of—
- (a) the Chief Executive Officer by virtue of his or her office;
 - (b) a senior official of the Department designated by the Director-General with the approval of the Minister; and
 - (c) no fewer than eight and no more than ten other persons appointed on a part-time basis by the Minister, in accordance with subsection (3) and taking into account the provisions of subsection (2).
- (2) The members contemplated in subsection (1)(c)—
- (a) must be suitably qualified—
 - (i) to provide effective corporate governance and must be able to bring their special expertise and knowledge to bear on the strategy, enterprise and innovative ideas and business planning of the Weather Service; and
 - (ii) to develop policies for the Weather Service and to advise the Minister on matters relating to weather-related and climate-related research programmes, technological development, service delivery to clients,

- marketing of services, international co-operation and the application of meteorology in weather-sensitive industries; and
- (b) are appointed in their personal capacities, but the Minister must ensure that the needs of the following stakeholders are taken into account when appointing the members of the Board: 5
- (i) Water resource management;
 - (ii) agriculture;
 - (iii) subsistence farmers and disadvantaged communities;
 - (iv) the media, which may include radio, television and newspapers;
 - (v) disaster management; 10
 - (vi) aviation industry;
 - (vii) maritime industry;
 - (viii) legal profession and insurance industry;
 - (ix) any other weather sensitive industry or occupation; and
 - (x) atmospheric science education and research community. 15
- (3) Before appointing any person contemplated in subsection (1)(c) or section 20(2), the Minister must—
- (a) by notice in the *Gazette* and in at least two nationally circulated newspapers invite nominations;
 - (b) in such notice, specify a period within which nominations must be submitted 20 and stipulate the procedure to be adopted regarding such nominations; and
 - (c) ensure that the Board is broadly representative of the South African society.
- (4) The Minister must appoint one of the members of the Board as chairperson and another member of the Board as the deputy chairperson.
- (5) Members of the Board contemplated in subsection (1)(c) are appointed for a 25 period of three years and are eligible for re-appointment for another final term of three years.
- (6) The Chief Executive Officer is a full-time member of the Board and is appointed for such period as the Board may determine at the time of appointment.
- (7) In the absence of a Board all the functions of the Board are vested in the Minister. 30

Functions of Board

6. The Board must—

- (a) ensure the financial viability and development of the commercial services;
- (b) ensure an efficient, cost-effective and high quality weather service;
- (c) set policy, standards and objectives within the framework issued by the 35 Minister and ensure that the executive management implements these policies, standards and objectives;
- (d) facilitate succession and give guidance in the appointment of senior managers;
- (e) ensure that the Weather Service has adequate systems of internal control, both 40 operational and financial;
- (f) monitor the performance of the Weather Service and make adjustments to the conditions of service of the personnel with due regard to the applicable labour legislation;
- (g) recommend any budget proposals or adjustments and submit them to the 45 Minister;
- (h) set policy for recruitment, training and transformation of the Weather Service;
- (i) approve a business plan for the Weather Service annually for the next three years and submit it to the Minister for final approval;
- (j) ensure that the majority of the South African population benefits from the 50 public good services of the Weather Service; and
- (k) perform any other function assigned to it by the Minister.

Removal

7. (1) A member of the Board may at any time be removed from office by the Minister on account of—

- (a) misconduct;
- (b) inability to perform the duties of his or her office effectively; 5
- (c) absence from three consecutive meetings of the Board without the prior permission of the Board, except on good cause shown; or
- (d) election as a member of Parliament or a provincial legislature.

(2) A member may not be removed from office except after due enquiry.

Vacancies

10

8. (1) A vacancy in the Board occurs if a member of the Board contemplated in section 5(1)(c)—

- (a) upon at least one month's written notice, tenders his or her resignation to the Minister;
- (b) is removed from office in terms of section 7; or 15
- (c) dies or becomes permanently incapable of doing his or her work.

(2) (a) When a vacancy in the Board has occurred as contemplated in subsection (1), the procedure contemplated in section 5 applies.

(b) Any member appointed under this section holds office for the rest of the period of the predecessor's term of office. 20

Remuneration

9. Any member of the Board, other than the Chief Executive Officer and the official contemplated in section 5(1)(b), must be paid such remuneration and allowances as the Minister, with the concurrence of the Minister of Finance, may determine.

Meetings of Board

25

10. (1) (a) The meetings of the Board must be held at least four times a year at such times and places as the Board may determine.

(b) The first meeting of the Board must be held at such time and place as the Minister determines.

(2) (a) In the absence of the chairperson, the deputy chairperson must perform all 30 functions of the chairperson.

(b) The chairperson or the deputy chairperson, and failing him or her, a member of the Board elected by the members present, must preside at a meeting of the Board.

(3) (a) The chairperson may at any time convene a special meeting of the Board which 35 must be held at such time and place as the chairperson determines.

(b) If the majority of the members of the Board request a special meeting in writing, the chairperson must convene such a meeting within seven days after receiving the request.

(4) The Board may determine its own procedure but any decision of the Board must be taken by resolution of the majority of the members present at any meeting of the 40 Board and, in the event of an equality of votes, the person presiding has a casting vote in addition to his or her deliberative vote.

(5) Subject to the approval of the chairperson, any person may attend or take part, but may not vote, in a meeting of the Board.

(6) A majority of the Board members forms a quorum at any meeting of the Board. 45

(7) Despite the provisions of subsection (4), the Minister may set policy guidelines within which any Board decision must be taken.

Committees of Board

11. (1) (a) The Board may establish one or more committees which must perform such 50 functions of the Board as the Board may determine.

(b) A committee established under paragraph (a) performs the functions in question subject to the instructions of the Board.

(c) The Board may at any time dissolve or reconstitute any committee established under paragraph (a).

(2) (a) Each committee established under this section consists of such number of members of the Board and of the staff of the Weather Service as the Board may consider necessary.

(b) If a committee consists of more than one member, the Board must designate a member of that committee to act as chairperson.

Meteorological advisory committees

12. The Board may establish such number of meteorological advisory committees on a national and regional basis as may be necessary, to advise it on any relevant matter.

CHAPTER 4

MANAGEMENT OF WEATHER SERVICE

Chief Executive Officer

13. (1) The members of the Board contemplated in section 5(1)(b) and (c) must appoint a person as Chief Executive Officer on such conditions, including conditions relating to the payment of remuneration, allowances, subsidies and other benefits, as the members may determine in accordance with a system approved by the Minister with the concurrence of the Minister of Finance.

(2) The Chief Executive Officer is responsible for the management of the Weather Service and must report to the Board on any aspect of such management as often as may be required by the Board.

(3) (a) Whenever the Chief Executive Officer is for any reason absent or unable to carry out his or her duties, or whenever there is a vacancy in the office of the Chief Executive Officer, the Board may, subject to such conditions and the payment of such remuneration and allowances as it may determine in the manner contemplated in subsection (1), appoint an employee of the Weather Service to act as the Chief Executive Officer during such absence or inability, for a period not exceeding six months.

(b) The acting Chief Executive Officer has the same powers and duties as the Chief Executive Officer.

CHAPTER 5

STAFF OF WEATHER SERVICE

Staff and conditions of service

14. (1) Subject to section 18, the Chief Executive Officer may, on such terms and conditions of service as may be determined by the Board, appoint or have such number of employees seconded to the Weather Service as are necessary, to enable the Weather Service to perform its functions.

(2) The Weather Service must out of its own funds pay to its employees such remuneration, allowances, subsidies and other benefits as the Board may determine in accordance with a system approved for that purpose by the Minister with the concurrence of the Minister of Finance.

(3) (a) The Chief Executive Officer may, on such conditions as the Board may determine and if the employee consents thereto, second the employee, either for a particular service or for a period of time, to the service of any department of the State, the government of any province or country outside the Republic.

(b) The employee's rights, privileges and benefits by virtue of his or her conditions of service as an employee of the Weather Service may not be adversely affected by the secondment.

(4) Every employee must enter into a service contract with the Weather Service.

(5) The Chief Executive Officer may when necessary, appoint persons under contract as consultants in accordance with the terms and conditions determined by the Board.

Pensions

15. (1) All employees shall have the choice to—
- (a) remain or become a member of the Government Employees Pension Fund;
 - (b) elect dormant membership and to join any existing fund as a new member from a current date; or 5
 - (c) withdraw from the Government Employees Pension Fund in accordance with the Government Employees Pension Law, 1996 (Proclamation No. 21 of 1996).
- (2) The Weather Service may, under the Pension Fund Act, 1956 (Act No. 24 of 1956), establish a pension fund for its employees. 10
- (3) For purposes of the Income Tax Act, 1962 (Act No. 58 of 1962), no change of employer must be regarded as having taken place when employment is taken up at the Weather Service by persons in terms of section 18, and the position of those persons in respect of the phasing-in of tax levied on benefits or advantages derived by reason of employment or the holding of any office as contemplated in Schedule 7 to the Income Tax Act, 1962, must be regarded as remaining unchanged. 15

CHAPTER 6**FINANCIAL MATTERS****Funds**

16. (1) The funds of the Weather Service consist of— 20
- (a) money appropriated by Parliament to enable the Weather Service to perform the public good services;
 - (b) income derived from commercial services;
 - (c) money raised by the Weather Service under section 4;
 - (d) fees or royalties contemplated in subsection (4) paid to the Weather Service; 25
 - (e) donations, user charges or contributions received by the Weather Service from any source;
 - (f) interest on investments; and
 - (g) income derived from any other source.
- (2) The Weather Service must utilise its funds to defray expenses in connection with the performance of its functions. 30
- (3) The Weather Service must utilise any donations or contributions contemplated in subsection (1)(e) for such purposes and in accordance with such conditions as may be specified by the donor or contributor concerned, provided that these conditions are in the interest of the Weather Service and the State. 35
- (4) The Chief Executive Officer may in respect of any work performed or services rendered by the Weather Service under this Act other than public good services, or for the use of the facilities of the Weather Service or rights resulting from any discoveries, inventions, computer programs or improvements made by employees of the Weather Service charge such fees or make such other financial arrangements as the Board may deem fit. 40

Accounting authority

17. (1) Despite the provisions of section 49(2)(a) of the Public Finance Management Act, 1999 (Act No. 1 of 1999), the Chief Executive Officer is the accounting officer of the Weather Service, and must comply with the provisions of the Public Finance Management Act, 1999. 45
- (2) The Weather Service must—
- (a) furnish the Minister with information which he or she may require concerning the activities and financial position of the Weather Service; and
 - (b) submit to the Minister not later than five months after the end of each year, an annual report containing a balance sheet, a statement of income and expenditure certified by the Auditor-General and such other particulars as the Minister may require. 50
- (3) The Minister must table the annual report in Parliament within 14 days of receipt thereof if Parliament is then sitting or, if Parliament is not then sitting, within 14 days after the commencement of the next sitting. 55

CHAPTER 7

TRANSITIONAL PROVISIONS

Transfer of staff of Chief Directorate to Weather Service

18. (1) Every person who is employed in the Chief Directorate immediately before the date fixed by the President in terms of section 2(1), is hereby transferred to the Weather Service. 5

(2) A person transferred as contemplated in subsection (1) must be regarded as having been appointed in terms of section 14(1) subject to the Labour Relations Act, 1995 (Act No. 66 of 1995).

(3) The remuneration and other terms and conditions of service of any person transferred as contemplated in subsection (2) may not be less favourable than the remuneration, terms and conditions applicable to that person immediately before transfer and he or she remains entitled to all rights, benefits and privileges to which he or she was immediately before that date, including— 10

- (a) membership of a pension fund; 15
- (b) membership of a medical aid scheme;
- (c) employer's contributions in connection with such membership including the contribution to the medical funds of retired personnel;
- (d) accrued pensionable service;
- (e) accrued leave benefits; 20
- (f) housing subsidies;
- (g) transport allowances and motor schemes; and
- (h) retirement at a specific age.

(4) Every person transferred as contemplated in subsection (2) remains subject to any decisions, proceedings, rulings and directions applicable to that person immediately before his or her transfer. 25

(5) Any proceedings against such a person which were instituted immediately before his or her transfer, must be disposed of as if this Act had not been enacted.

(6) The Minister must appoint an interim Chief Executive Officer who acts until a Chief Executive Officer is appointed in terms of section 13(1). 30

Transfer of certain assets and liabilities to Weather Service

19. (1) On the date of commencement of this Act, all the assets, rights, liabilities and obligations which the Minister determines, pass to the Weather Service.

(2) (a) Such assets must include—

- (i) stock, equipment, instrumentation and furniture on the registers or records of the Chief Directorate; 35
- (ii) vehicles, aircraft, buildings and land allocated to the Chief Directorate; and
- (iii) the remainder of part 264 of Garsfontein 374 JR (Waterkloof Heights) Pretoria; and

(b) funds to lease and maintain buildings, office space and to pay for the provision of services on behalf of the Chief Directorate for the remainder of the financial year after the commencement of this Act. 40

(3) The Registrar of Deeds concerned must, on application by the Board and lodgement of the relevant title deeds, make such entries or endorsement in his or her registers or records and on the relevant title deeds as may be necessary in order to give effect to subsection (1). 45

(4) No fees may be charged in respect of any transfer contemplated in subsection (3).

(5) In addition to the provisions of subsection (2), the Minister may, with the concurrence of the Minister of Finance, transfer any movable property belonging to the State to the Weather Service to enable it to exercise or perform its powers and functions or to achieve any of its objectives. 50

CHAPTER 8

REGULATORY CONTROL

Regulating Committee

20. (1) (a) The Minister must establish a committee, to be known as the Regulating Committee for Meteorological Services. 5
- (b) In this Chapter any reference to Committee means the Regulating Committee referred to in paragraph (a).
- (2) The members of the Committee consist of five persons appointed on a part-time basis by the Minister of whom at least three are not officials of any State department.
- (3) (a) The Minister must appoint one of the five members as the chairperson of the Committee. 10
- (b) In the absence of the chairperson a member of the Committee elected by members present, must preside at a meeting of the Committee.
- (4) Members of the Committee contemplated in subsection (1) are appointed in accordance with section 5(3) for a period of three years and are eligible for re-appointment for another final term of three years. 15
- (5) The Committee must, after consultation with the Minister, determine the procedure to be followed in the performance of its functions.

Functions of Regulating Committee

21. (1) The Committee must— 20
- (a) set broad limits on prices of services and products of the Weather Service;
- (b) determine the level of user charges to be applied to the aviation and maritime industries by the Weather Service and advise the Minister on the making of regulations in this regard;
- (c) ensure that the Weather Service does not abuse its position, but in such a manner as not to place undue restrictions on the Weather Service's commercial activities and guard the Weather Service against unfair competition from national and international private weather services; 25
- (d) promote the safe, efficient, economical and profitable operation of the Weather Service; 30
- (e) promote the reasonable interest and needs of clients and customers of the Weather Service;
- (f) monitor service standards and, where necessary, issue instructions to the Weather Service for improvement; and
- (g) perform any other function assigned to it by the Minister. 35
- (2) The Committee must, if it has reasonable grounds to believe that the Weather Service has failed to comply with instructions contemplated in subsection (1)(f)—
- (a) immediately investigate the matter;
- (b) give the Weather Service an opportunity to make representations to the Committee within a period determined by the Committee; and 40
- (c) make representations to the Minister.
- (3) The Committee must report before 30 June each year on the work of the Committee to the Minister, and the Minister must table the report in Parliament within 30 days after it is submitted to him or her.
- (4) All administrative work in connection with the performance of the functions of the Committee must be carried out by the Department. 45

Removal

22. (1) A member of the Committee may at any time be removed from the office by the Minister on account of— 50
- (a) misconduct;
- (b) inability to perform the duties of his or her office effectively;
- (c) absence from any meeting of the Committee without the prior permission of the chairperson, except on good cause shown; or
- (d) election as a member of Parliament or a provincial legislature.

(2) A member may not be removed from office except after due enquiry.

Vacancies

23. (1) A vacancy in the Committee occurs if a member—

(a) upon at least one month's written notice, tenders his or her resignation to the Minister; 5

(b) is removed from office in terms of section 22; or

(c) dies or becomes permanently incapable of doing his or her work.

(2) (a) When a vacancy in the Committee has occurred, the procedure contemplated in section 20(4) applies.

(b) Any member appointed under this section holds office for the rest of the period of the predecessor's term of office. 10

Remuneration

24. Any member of the Committee, other than officials from State departments, must be paid by the Department such remuneration and allowances as the Minister, with the concurrence of the Minister of Finance, may determine. 15

Meetings of Regulating Committee

25. The Committee must meet at least once a year at such times and places as the Committee may determine, but the first meeting of the Committee must be held at such time and place as the Minister determines.

CHAPTER 9

20

GENERAL AND MISCELLANEOUS PROVISIONS

Intellectual property rights

26. (1) The Weather Service retains the intellectual property rights on any data, meteorological and advisory services, computer programs, inventions, discoveries and improvements generated by the Weather Service in the fulfilment of its functions. 25

(2) Any data, information, advisory services and meteorological services of the Weather Service provided to a client or customer may not be provided by that client or customer to a third party or be distributed without the written consent of the Chief Executive Officer.

(3) Any use of material by way of publication, including radio, television or other such medium, must acknowledge the Weather Service's contribution. 30

Limitation of liability

27. The Weather Service is not liable for any damage, loss or injury sustained or alleged to have been sustained by any person as a result of his or her reliance on meteorological information provided by the Weather Service. 35

Regulations

28. The Minister may, after consultation with the Board, make regulations regarding—

(a) the method and frequency of reports on Board meetings to be submitted to the Minister; 40

(b) fees for the provision of aviation and maritime meteorological services; and

(c) any matter in respect of which it is necessary or expedient to make regulations in order to achieve the objectives of this Act.

Rules of Board

29. The Board may make rules, which are not in conflict with this Act or the regulations, for the proper management of the Weather Service and its interests. 45

Delegation of powers and assignment of duties

30. (1) The Board may delegate any power and assign any duty of the Board in writing to the chairperson of the Board, the Chief Executive Officer or an employee of the Weather Service.

(2) The Chief Executive Officer may in writing delegate any power and assign any duty conferred or imposed upon the Chief Executive Officer by or under this Act to an employee of the Weather Service, except powers delegated to the Chief Executive Officer under subsection (1). 5

(3) Any delegation or assignment under subsection (1) or (2) may at any time be rescinded or amended by the Board or the Chief Executive Officer, as the case may be. 10

(4) The Board and the Chief Executive Officer are neither divested of any power or function delegated or assigned under subsection (1) or (2) nor absolved from their responsibilities, and may, subject to the provisions of subsection (5), amend or withdraw any decision made in the exercise of such delegated power or in the performance of a function so assigned. 15

(5) A decision made in the exercise of a power so delegated and in consequence of which a payment has been made or any right has been conferred upon any person, may not be amended or withdrawn without the consent of the beneficiary.

(6) The Minister may delegate any power entrusted to him or her in terms of this Act to the chairperson or the Chief Executive Officer, except the powers contemplated in section 28. 20

Repeal of Meteorology Act , 1988 (Bophuthatswana)

31. The (Bophuthatswana) Meteorology Act, 1988 (Act No. 18 of 1988), is hereby repealed.

Short title and commencement

25

32. This Act is called the South African Weather Service Act, 2001, and takes effect on a date fixed by the President by proclamation in the *Gazette*.

SCHEDULE 1**PUBLIC GOOD SERVICES**

1. The gathering of meteorological and climatological observational data over South Africa and surrounding oceans, sufficient for the needs of the country and to comply with international obligations and in accordance with World Meteorological Organization standards, where practicable.
2. The carrying out of those international obligations agreed under World Meteorological Organization arrangements, including the international distribution of data and acting as Regional Telecommunications Hub and as Regional Specialised Meteorological Centre.
3. The provision of other meteorological services and the representation of Government in fulfilment of international obligations, where appropriate.
4. The provision of weather and climatic forecasting and warning services intended for the general benefit of the population and the safety of life and property.
5. The provision of daily rainfall and maximum and minimum temperatures data to the general public.
6. The custody of the National Climatological Databank.
7. The operation of a national meteorological telecommunication network and computer infrastructure necessary to provide public good services.
8. The maintenance of the National Meteorological Library.
9. The provision of advice to Government regarding meteorological and climatological matters.
10. The provision of meteorological and functional-related training in partnership with higher education institutions.
11. The conducting of research focussed on reducing the impact of weather-related natural disasters and on improving to the quality of the public good services.
12. The provision of meteorological support for aviation and maritime search and rescue activities in accordance with international obligations of the Government.
13. The provision of service for the benefit of subsistence farmers and fisheries.

SCHEDULE 2**COMMERCIAL SERVICES**
