SOUTH AFRICAN SOCIAL SECURITY AGENCY

# All social grants will be paid. Your pay days have not changed.

The South African Social Security Agency (SASSA) assures all beneficiaries of social grants that **they will receive** their grants as usual from 02 April 2012. SASSA is currently re-registering social grant beneficiaries but this process **will not** affect the payment of social grants at this stage.

## **New company to pay social grants**

SASSA has appointed Cash Paymaster Services Pty (Ltd) to pay social grants on its behalf in all provinces to all beneficiaries from 01 April 2012.

## **Paypoint beneficiaries**

SASSA urges all beneficiaries and procurators who receive cash payments to go to their respective paypoints on their normal payment days to receive their social grants. You will receive a new temporary SASSA payment card with your payment. Procurators who receive social grants on behalf of beneficiaries will also receive their payments as normal.

## **Banked beneficiaries**

Beneficiaries who receive their grants through banks, and post offices will also receive their social grants as normal. These beneficiaries will be re-registered from June 2012 and they will receive their SASSA card. Bank beneficiaries will be notified in writing of their registration days.

## **Sekulula Clients**

Extension has been granted for all Sekulula clients to re-register by 29 March 2012. Sekulula clients who do not re-register by 29 March must go to their nearest paypoint or SASSA office for re-registration from the 02 April 2012.

**REMEMBER:** Please bring in your RSA Identity Document and your current grant payment card.
