Dear Sir/Madam

I hereby wish to confirm that I /IZWE GIZAMA have a Soggy on Road Accident Fund. My husband FANELE JOSEPH GIZAMA was involved in a car accident and died on the spot on the 20/09/1996. He was a passenger, they are three of them and are from Transkei to Beaufort West for work. When they are at Lady Smith the bakkie they are in it collided with the truck, they all died even the driver of the bakkie. The MVA insurance paid us R50,000.00 R250,000.00, (Fifty thousand Rands only) R250,000.00 for me, his wife and R250,000.00 for his only child who was born on 17/06/1991. My husband was working for us and he was born 12/04/1959. S.A.P.S of Beaufort West said that matter was still investigated till now.

I shall be very glad if you will take this with a highly consideration.

Yours faithfully
L. Gizama (Mrs)
