Dear Sir/Madam

I hereby wish to confirm that I have a say on ROAD ACCIDENT
 FUND (TRANSITIONAL PROVISIONS) BILL (B 22-2012) I was
 involved on a car accident on the 23/02/1995. I was one of
 passengers in a taxi (combi) vehicle, it was a head on collision
 with a Venture car and they all beyond repairs. I had a pelvis
 fracture and a big soft tissue defect Rt Knee, that is +++
 scar (big wound) & I was admitted in St Bonitas Hospital from
 23/02/1995 to May (05/1995) Skin graft has made but it
 didn't help it (the cut) On 1996 I was admitted in Bedford
 Hospital for the operation of the leg. They made a FREE FLAP GRAFT,
 taking the flesh from the abdomen and patch the knee, but it
 is still a big unlookable cut or scar it is still on and off
 swelling, it is difficult even to ^{applies to} sit for a long time and stand
 MVA Insurance only paid me R40 000,00. My Attorney was MR
 Dazana Mafungo inc, with the Reg no of CO 88/0119.
 The Dr who send me to was Doctor Watt. I shall be very pleased if
 you will take ^{this} with your highest consideration,
 Yours faithfully,
