THE NEW FURTHER EDUCATION AND TRAINING COLLEGES AMENDMENT BILL

We want the legislation which will clarify the following issues:

1. Who is an AET educator?
2. What are qualification requirements for AET educators?
3. What are functions of AET Education?
4. What are legislation requirements?

We want a legislation and policy which will allow:

- The recognition of AET practitioners as educators in SA as per SASA of 1996 because AET practitioners still face oppression and discrimination in the SA education system.
- The recognition of AET qualifications as per SAQA (act 58 of 1995) and NQF.

WE NEED EQUAL SOCIETY WHERE AET EDUCATORS WILL BE TREATED LIKE MAINSTREAM EDUCATORS.
