Dear SANRAL

I am a pensioner and could never afford any cost that is added to my living expense on a pension of less than R5 000.

I do volunteer/ charity work and travel quite a bit all over the Cape Peninsula. Many unemployed, marginalised and poverty-stricken individuals and communities will suffer even more without the services that our Charity provides.

Please, please, please I CANNOT AFFORD any tolls. Community workers must be exempted. Have a heart and don't bring tolls to the Cape.

Thank you

D Musson
