SCHEDULE

PURPOSE

1. The purpose of this Notice is to identify activities and competent authorities in terms of sections 24(2) and 24D of the National Environmental Management Act, 1998 that would require environmental authorisation in specific identified geographical areas only.

DEFINITIONS

2. In this Notice, any word or expression to which a meaning has been assigned in the Act shall have the meaning so assigned, and unless the context otherwise indicates—

“associated structures or infrastructure” means any building or infrastructure that is necessary for the functioning of a facility or activity or that is used for an ancillary service or use from the facility;

“construction” means the building, erection or establishment of a facility, structure or infrastructure that is necessary for the undertaking of a listed or specified activity, but excludes any modification, alteration or expansion of such a facility, structure or infrastructure and excludes the reconstruction of the same facility in the same location, with the same capacity and footprint;

“development footprint”, in respect of land, means any evidence of physical transformation as a result of the undertaking of any activity;

“development setback” means a setback line as defined or adopted by the competent authority and where none has been defined or adopted it will be assumed that no setback line applies;

“expansion” means the modification, extension, alteration or upgrading of a facility, structure or infrastructure at which an activity takes place in such a manner that the capacity of the facility or the scale of the activity is increased;

“Environmental Impact Assessment Regulations” means the regulations made under section 24(5) of the Act;

“Gauteng Conservation Plan” means the Gauteng Conservation Plan (C-Plan) which can be obtained from the Gauteng Department of Agriculture, Conservation and Environment;

“Gauteng Agricultural Potential Atlas” means the Gauteng Agricultural Potential Atlas, 2006 (GAPA 3), which can be obtained from the Gauteng

Department of Agriculture, Conservation and Environment;

“industrial area” means an area used for bulk storage, manufacturing, processing or packaging purposes;

“littoral active zone” means any land forming part of, or is adjacent to, the seashore and that is—

- (a) unstable and dynamic as a result of natural processes; and
- (b) characterised by dunes, beaches, sand bars and other landforms composed of unconsolidated sand, pebbles or other such material which is either unvegetated or only partially vegetated;

“Mpumalanga Biodiversity Conservation Plan” means the Mpumalanga Biodiversity Conservation Plan (MBCP) which can be obtainable from Mpumalanga Tourism & Parks Agency in Nelspruit, or be downloaded from the South African National Biodiversity Institute’s BGIS website (<http://bgis.sanbi.org/>);

“the Act” means the National Environmental Management Act, 1998 (Act No. 107 of 1998);

“urban areas” means areas situated within the urban edge (as defined or adopted by the competent authority), or in instances where no urban edge or boundary has been defined or adopted, it refers to areas situated within the edge of built-up areas.

3. (1) The activities listed in Appendix 1 are identified in terms of section 24(2)(b) of the Act as activities that may not commence without an environmental authorisation from the competent authority.

- (2) The investigation, assessment and communication of potential impact of activities must follow the procedure as prescribed in the Environmental Impact Assessment Regulations published in terms of section 24(5) of the Act.
