(2) The SACE organogram comprises the following programmes:

- **Registration**, which enhances the quality of the registration of teachers by introducing standards of entry into the profession;
- **Professional Development**, which enhances the quality of the practicing educators through the management of the CPTD system
- **Policy Planning and Research, which** enhances policy co-ordination within SACE and strengthens the medium and long term planning that is purposeful and informed by data and research
- **Professional Ethics, which** promotes ethical conduct among educators and stakeholders through workshops, seminars, imbizo's etc.

(3) The information is attached in a spreadsheet entitled "organisation and establishment structure of SACE (dates of appointment)".
